How did you find us?

Club Website

After we receive your dues information, you will receive an email with login information for our club website, which includes membership information as well as a club directory. The club directory is only visible to active club members.

List my contact information in the club directory:

Email Lists

MHTG has three mailing lists: **mhtg-announce**, **members**, and **beerchat**.

The **mhtg-announce** list is for official club announcements, such as upcoming meeting agendas, club events, meeting minutes, etc. Being a member of this list is strongly recommended.

The **members** list is the official, members only list for the club. This is where members post information and discussion of club events and decisions. It is a good idea to be a member of this list.

The **beerchat** list is a public list for beer enthusiasts to discuss beer events and issues. This list is high traffic, so you may not want to join this list if you are worried about too much email.
