There's something magical about being outside, sharing time with good friends. And for five generations, that's the feeling our family has captured in every batch of Leinenkugel's. So come along. Join Us Out Here.
Welcome from the President

WELCOME TO THE 27TH ANNUAL GREAT TASTE OF THE MIDWEST. Again we have had to shuffle the layout of the event. We have returned the combined Real Ale and Presentation Tent to the original location where the Real Ale Tent debuted in 2007. We have also moved a tent to a new location west of the pavilion toward the front of the park, facing John Nolan Drive. This will be our largest tent ever and is not to be missed. After 27 years, we feel like we are in great command of our event, but one thing that is completely out of our control is the weather and a potentially rainy weekend can negatively impact the beautiful location that we are lucky to have on loan to us for Great Taste weekend. In order to be good stewards of the park and continue to give our patrons all of the great beer choices that they are accustomed to, we are moving and enlarging this tent to alleviate some of the foot traffic in the park.

A special thanks goes out to Mitch Gelly who is handing over the reigns as our City Liaison after 22 years of service to the Great Taste. He played a vital role in building this event into what it is today and we’re grateful for all he’s done. Mitch is the only person that has served in this capacity (a dedicated position wasn’t necessary for the first few years of the Great Taste). I would also like to thank Great Taste Chairman Mark Garthwaite and all of the other volunteers that spend countless hours making this the best Beer Festival in the country. Without their passion for beer and this event, the Great Taste wouldn’t be the great success that it is.

When I give thanks to MHTG’rs that have served countless hours to make the Great Taste of the Midwest a success, I cannot give thanks without remembering Judy Kusek, who you probably have met if you have ever volunteered for the Great Taste of the Midwest. Judy lost a several year battle with cancer early last winter. We called Judy “our club Mom.” She was in charge of the volunteer check in tent at the Great Taste for many years. If you passed through the club tent and needed help Judy was the one that could help you find what you were looking for, whether it was a clipboard and pencil, a name tag lanyard or one of your personal items you left in the club tent. She also went above and beyond figuring out ways to track down attendees that left an identifiable item in the festival grounds. In remembrance of Judy’s many years of selfless service in the volunteer tent, we’ll refer to that tent as “Judy’s Tent.”

One fun idea we’ve casually toyed with is doing what we’d call “The Great Toast of the Midwest,” where we sound a horn and raise our glass together at 2:00 p.m. to toast the brewers who are assembled here. Today, we will finally do it, but this year, our inaugural Great Toast of the Midwest is dedicated to Judy Kusek.

Lastly, but most importantly, please remember this is a non-driving event. Please utilize free shuttles or $1 Taxicabs and don’t forget to tip your driver generously for getting you home safely when you pull out your wallet. Please note that the taxi queue will be at the south parking lot, which is directly down the hill from where you entered the festival main gate. Remember to eat, drink plenty of water and to enjoy the event responsibly and to get home safely by not driving.

Cheers!

Mark Schnepper | MHTG President

Brewers who need assistance should visit the tent or speak with any staff member on duty. Great Taste Staff will be wearing gray shirts with festival logos on the front, MHTG logos on the back, and lanyards. First Aid and Lost and Found are located at this tent. If you need emergency assistance, contact a staff member, Madison police officer on site, or a security officer on duty. Assistance can be arranged by staff at the club operations tent as well.

USING THIS PROGRAM

We hope this program is a useful guide to exploring the Midwest’s finest breweries both here and in your travels in the region. It is organized alphabetically and can be cross-referenced numerically on the map of the festival grounds for conveniently locating each brewery’s booth.

Beer and brewery information is provided to us by brewers. In some cases beers will be served that are not listed here. Sometimes this is intentional and sometimes it’s a last minute addition.

MOBILE APPS

In addition to this program, we offer iPhone and Android mobile apps that contain the same information that is included in this program. Some additional features are included that are well worth exploring. Apps are updated right up until the gates open. The iPhone app is available for download at Apple’s App Store and the Android app is available via Google Play. Search for “Great Taste” to find and load them onto your device.

THE BEER!

Breweries are asked to provide detailed information about the beers on offer including Alcohol By Volume (ABV), Original Gravity (OG) measured either as “degrees Plato” or “degrees Brix”, and International Bittering Units (IBU). The ABV tells you how much alcohol is in the beer (typically ranging from 4% up to 12%), while the OG is a related measure that describes the density of the wort prior to fermentation. Final Gravity (FG) is the density of the fermented beer. In general, a high OG means a high ABV. The IBU’s tell you how much hop bitterness to expect. IBU’s range from the single digits and max out at a measurement ceiling of about 100 IBU’s. Some brewers will provide information regarding beer color which is expressed as either SRM (Standard Reference Method) or Lovibond (L). A light beer can be as low as 2 SRM while a dark beer can be as high as 80 SRM.

All of this is designed to help you predict what a beer will look and taste like so you can make informed choices. Many beer styles are available to you today and to learn more about them, consult the Beer Judge Certification Program for detailed guidelines at www.bjcp.org.

Serving Size

Serving size is 2 OZ. Brewers have been instructed not to provide a full pour. Please don’t ask them to fill your glass. CLOSING TIME IS 6:00 PM. All brewers MUST stop serving at that time. Please do not jeopardize the future of this event by asking for “just one more.” There are multiple exits at both ends of the park that will direct you toward the taxi and shuttle services.

Back in 1926, the Kingsbury Breweries, then known as the Gutsch Brewery, declared bankruptcy. It was a tough time for breweries across the country as Prohibition was in full effect. Many breweries failed during that time, and the Gutsch Brewery was on its way to joining them. It was at this time that my family took the helm of the brewery. Soon after, they changed the name to the Kingsbury Breweries, expanded coast-to-coast, and turned the brewery into what we remember it as today.

I grew up hearing stories from my father, who, as a child with his father, would go around the various Kingsbury Breweries, see the brewers hard at work, and watch the customers enjoy a beer in the Ratskeller. This is where my interest was first piqued by the great world of beer. Many years later, thanks to a brilliant gift on my wife’s part, I started making my own beer. From that point forward there was no turning back. The hobby turned into a passion, which turned into an obsession, which turned into quitting my day job and opening a brewery.
Established in 2011, 4 Hands Brewing Company, located in St. Louis Missouri, provides the craft beer enthusiast a handcrafted portfolio inspired by the American craft movement that pushes the limits of creativity. Our 4 core beers include Divided Sky Rye IPA, Reprise Centennial Red, Cast Iron Oatmeal Brown, and Single Speed (blonde ale brewed with elderflower).

CONTACT HIGH: Style: American Pale Wheat Ale. O.G.: 13.0. IBU: 30. ABV: 5.5. Contact High is our summer seasonal inspired by the American Craft movement. We made this wheat ale exciting by adding Pacific northwest hops and dry hopping with fresh blood orange zest. Contact High pours a bright orange hue with a big citrus aroma.

2ND HAND: O.G.: 7.8. IBU: 8. ABV: 4. 2nd Hand is a collaboration with our friends at 2nd Shift Brewing Company. 2nd Hand is a session table beer we dry hopped with Eldorado Hops. Look for aromas of pale wheat, spice, and stone fruit.

SPECIAL RELEASES

2:00 P.M. - VOLUME #1: Style: American Double / Imperial Stout. O.G.: 22. IBU: 30. ABV: 10.5. Volume #1 is our first release in the Wood Series, an ongoing series focusing on high gravity ales aged in American spirit barrels. Volume #1 is an Imperial Stout with cocoa nibs and a single origin coffee aged in American whiskey barrels of 16 months.

4:00 P.M. - CUVEE ANGE: O.G.: 12.0. IBU: 13.0. ABV: 5.5. Fermented with wild yeast and aged in a combination of Cabernet, Merlot, and Grenache wine barrels with raspberries and blackberries, Cuvée Ange is a fruity, tart, complex ale. Cuvée Ange pours a bright rose with aromas of fruit, funk, and wood.

REAL ALE TENT

5 RABBIT CERVECERIA | 526
Brewmaster: Andrés Araya | Brewmaster: Isaac Showaki | Brewmaster: Randy Mosher
www.5rabbitbrewery.com
3304 North Knox Ave, Chicago, IL, 60614 | 312-895-9591
The first Latin microbrewery in the US, 5 Rabbit celebrates the rich and ancient lore behind Latin drinking culture and cuisine. Our beers are informed and inspired by the best Latin ingredients past and present, but have a 21st century global point-of-view. Drawing inspiration from Pixán, a Mayan language term loosely meaning “free spirit,” 5 Rabbit looks to celebrate this notion of a free spirit in craft beer as well as food, art, community, and other aspects of a good life.

5 GRASS: Style: American Pale Ale. O.G.: 1.06. IBU: 60.0. ABV: 6.4. A hoppy ale that captures the brisk, clean aroma of the desert, brewed with Tasmanian pepperberry, sage, and rosemary.

5 LIZARD: Style: Witbier. O.G.: 1.05. IBU: 20.0. ABV: 4.3. A creamy and refreshing wheat beer with some spicy complexity and light touch of passion fruit for a delicious and slightly exotic flavor.

PALETAS: Style: Fruit / Vegetable Beer. O.G.: 1.039. IBU: 16.0. ABV: 3.5. A beer that captures the summer fun of Paletas, the Spanish word for “popsicles.” Brewed with Brazilian guava, pink peppercorn, tarragon and orange blossom water, this sessionable wheat beer is a more sophisticated alternative to shandies or radlers.

AEPPLETRREOW WINERY | 423
President/Cidermaker: Charles McGonegal
www.appletrue.com | cider@appletrue.com
1072 288th ave., Burlington, WI, 53105 | 262-878-5345
Established 2001. Hard ciders with style made with locally grown uncommon and heirloom apples to make draft ciders, cider (and perry) champagnes, orchard table wines, and after-dinner orchard mistelles. Our ciders are inspired by Old World tradition, but don't imitate historic ciders and perries. The venture grew out of our home cidermaking pastime and biology, chemistry, and engineering skills. We believe that cider starts in the orchard, in using the most flavorful cultivars—grown locally—and that cidermaking is an act of conservation, both in the cellar and in the field. Come Experience a Taste of the Orchard that’s True to the Apple.

Established 2011. From day one we have been dedicated to the production and enjoyment of great beer! We hammer on that point as Louisville’s only brewery owned by brewers, beholden to no other management priority than making beer well, and we declare... “Against The Grain Brewery is like most worthwhile undertakings, the product of dissatisfaction with the status quo. The Louisville area has had a number of quality brewpubs for some time now, but still there was simply not enough beer! Against the Grain is an effort to help solve this problem.

TROPICAL SEGWAY KITTEN: Style: American Double / Imperial IPA. O.G.: 23.0. IBU: 130.0. ABV: 10.2. This beer is a work of fiction. Any similarities to any other beer, living or dead, are purely coincidental. This is a gentle giant of a double IPA. Sure, the malt bill is rather large. Sure, it’s a little boozy. Sure, the hop bill is completely unreasonable. But that’s no reason to get so aggressive. Let’s all just relax and soak in the complex blend of German and American malts. Let’s kick back and bask in the heightened IBUs holding up the earthy, fruity, grapefruit, lemony, piney, myrcene-heavy flavors provided by late hopping with Sorachi Ace, Simcoe, and Falconer’s Flight hops and dry hopping with Centennial and Citra hops. Just chill out and throw one back in the hot, hot sun.
**CITRA ASS DOWN:** Style: American IPA. O.G.: 17.0. IBU: 68.0. ABV: 8.2. This is a very complex, with a bourbon character of caramel, vanilla, and spice. The raw power of Magnum and Chinook hops were used to battle this beer into a discerning palate will detect chocolate, rye, biscuit, and faint peat notes in each sip. Deep in the heart of its double mash lies a cornucopia of dark, flavorful malts. The raw power of Magnum and Chinook hops were used to battle this beer into a variety of different woods. Most of the batch aged in used bourbon barrels, but some of it saw scotch barrels, port barrels, ash, hickory, red oak, white oak, cherrywood, and more. Check your keg for what wooded nectar is in your glass.

**DORK LARD:** Style: American IPA. O.G.: 19.5. IBU: 88.0. ABV: 8.1. One of the many **Belgian porter brewed with nearly 20% rye malt. Maris Otter pale, oats, honey and chocolate malt provide a smooth and supple malt base and the rye lends dry and spicy notes. Mixed with Danish Cara Red and Kent Goldings, the result is a lager twist on the traditional dark, syrupy drink.** This beer is a departure. We took the ingredients in bourbon whiskey (Barley, Rye, Corn) and then smoked them with cherry wood and brewed a huge imperial stout in them. Then to top it off we aged it in Pappy VanWinkle Bourbon Barrels. The resulting beer is rich, smoky and complex, with a bourbon character of caramel, vanilla, and spice.

**KENTUCKY RYED CHIQUEN:** Style: American Amber / Red Ale. O.G.: 17.6. IBU: 27.0. ABV: 7.1. An amber ale brewed with rye malt and aged in rye whiskey barrels. Our first barrel aged beer here at Against the Grain is the Kentucky Ryped ChiQueen. Named so because it was made in Kentucky, has a lot of rye in it, was aged in rye barrel and it’s not Chicken. As we all know (or should know) ChiQueen refers to anything that is not chicken. Now that we have all that straight, we will talk about what is in this beer. Brewed with Maris Otter from the UK and rye malt and caramel rye from Germany, imparting a spicy, fruity and dry flavor. Then hopped with enough English Nugget and Kent Goldings just to balance and fermented with our house ale yeast. After fermentation we moved the entire batch into the AtG private dining room and into used Redemption Rye barrels from our good friends at Strong’s. There it aged for 5 weeks until we felt it had picked up the right amount of residual bourbon character and oak flavors. We then transferred it to our serving tank, carbonated it and the end result is on tap now, a balanced drinkable and complex barrel aged beer.

**AN ALE PLEASURE:** Style: American Double / Imperial Stout. O.G.: 25.0. IBU: 85.0. ABV: 11.0. This giant imperial rye stout is the result of our collaboration with the Danish brewers from Toøl. In true Danish style, it is austere and utterly humorless. Deep in the heart of its double mash lies a cornucopia of dark, flavorful malts. The discerning palate will detect chocolate, rye, biscuit, and faint peat notes in each sip. The raw power of Magnum and Chinook hops were used to battle this beer into a variety of different woods. Most of the batch aged in used bourbon barrels, but some of it saw scotch barrels, port barrels, ash, hickory, red oak, cherrywood, and more. Check your keg for what wooded nectar is in your glass.

**CHRIS FRAIMBOISE:** Style: Saison / Farmhouse Ale. O.G.: 14.6. IBU: 16.0. ABV: 7.1. Flamboyant, highly technical, and a bit unbalanced, like the wrestler himself, this brettanomyces-aged raspberry saison will send you to the mat. A variety of light malts blend to create a slightly spicy, intricate malt body that was dried out with farmhouse saison yeast in primary fermentation before being moved to our wild room for blending with raspberry puree and one variety of brettanomyces. The wild yeast create a secondary fermentation with all the raspberry sugars to yield a dry, tart, fruity, farmy treat that is sure to please hardcore beer geeks and lovers of girly-drinks alike.

**BOOBY TRAPPE:** Style: American Barleywine. O.G.: 25.0. IBU: 147.0. ABV: 11.2. This beer is a work of fiction. Any similarities to any other beer, living or dead, are purely coincidental. We thought we already had a pretty good lineup of dark, syrupy giants, so we decided to make a light, syrupy giant. This imperial adjunct wine is a backbreaking double mash beer loaded with a totally unreasonable amount of oats and aknuckle sandwich of corn. The smoke note is extremely subtle behind the huge grain bill, and the massive additions of German Magnum hops are designed to obliterate your big dumb face. A long aging was allowed on a blend of American and French oak to add distinct spice, vanilla, and oak flavors. Forget your previous Satanic allegiances. Bow down before your Dork Lard!
How are you today? You're looking fine, but how's the rest of you? After all, this whole festival is all about you: your wants, your needs, your insatiable desire for beer that doesn't suck. As luck would have it, we make beer that doesn't suck. We're not saying that anybody here today does, otherwise this wouldn't be the grand poobah of beer festivals that it is. We will say the other breweries told us you were ugly, when clearly you're looking fine. So if you want beer that doesn't suck served by people who think you're looking fine, stop by our booth and have some. Our staff is eager to pour and has fewer communicable diseases than you'd expect from people who drink their body weight in Hopalicious weekly.

Brewmaster: Grant Johnston
www.argusbrewery.com | localbrew@argusbrewery.com
11314 Front Street, Chicago, IL, 60628 | 608-512-6627
Argus is authentic Chicago. Our Chicago attitude is something of which we're proud. Something we think you'll taste in each Argus Brew—flavor, depth, the unusual and carefully brewed taste of a premium craft beer. Our brewery is located in the historic Joseph E. Schlitz distribution stables, dating back to the early 1900's. Two large terra cotta horse heads on the parapet still identify this unusual building, which once housed the Schlitz horse teams and carriages.

SWEATNESS: Style: American Pale Wheat Ale. O.G.: 1.048. ABV: 5.0. An American wheat beer that is straw in color, moderately bitter with a full aroma & flavor of wheat. The hop varieties used give a subtle, fruity character that compliment the wheat. It is a very refreshing American wheat ale.

CLYDE'S ALE ESB: Style: English Bitter. ABV: 5.6. Our ESB is a traditional English Strong Bitter that uses British malts with English & Slovenian hops. It is a malt accentuated ale that uses a London yeast strain. It has a deep copper color and very distinctive fruity hop aromas. It is most certainly not an American interpretation of an ESB.

IRON HORSE: Style: California Common / Steam Beer. ABV: 5.8. This is a hybrid style of beer that was most commonly brewed in the SF Bay Area from the 1850s onward. The key distinguishing feature of this style is that it is fermented with a lager yeast but at warmer ale temperatures. Copper colored and medium bodied, it has full malt flavors and spicy hop aromas all highlighted by a very unique character from the fermentation that is unlike any traditional Ale or Lager.

PEGASUS IPA: Style: American IPA. O.G.: 1.062. ABV: 6.5. Our IPA a rather British beer that uses mostly English malts with a blend of hops from the UK & the USA. Deep copper colored, it has a very full malt backbone and a very pronounced hop character from assertive dry hopping. This is not a typical hop bomb, but a more balanced approach to IPA.

The End is Near for Weak Amber Beer.
Established in 2012, Atlas Brewing Co. is a newly-opened brewpub in the heart of Chicago. We love all the beer traditions of the world. There’s a place for faithfully sticking with tradition, a place for messing around a bit, and a place for turning everything on its head at Atlas Brewing Co.; we would like to accomplish all of that. The best things in life are fresh beer, good food, and good company. We are very pleased to be able to share all of those with you. Cheers!

APRICOT FARMHOUSE AMBER: ABV: 6.8. A refreshing fruit, brewed for the warm summer months. Juicy apricot aromas and a bit of tartness combine with rustic yeast notes and a low key, yet complex, malt character.

2013 REPLICALE: ABV: 6.8. This year’s Replicate is an “Illinois Golden Ale.” Each participating brewery brewed a 100% Pilzen Malt golden ale, featuring a different type of hop. We chose our favorite Oceanic hop, Motueka, for its bright fruity flavors and aromatic punch.

IT’S A TRAP!!! BLACK ABBEY ALE: ABV: 8.2. Brewed at Atlas in collaboration with Chicago's Begyle Brewing, we added smooth black wheat malt to a Trappist-style dark ale, resulting in a richly fruity, nutty beer, with a dry, subtly roasty finish.

SPECIAL RELEASES

1:30 P.M. – FRANCIS GIN BARREL-AGED SAISON: ABV: 6.2. This is our Turn Around Bright Eyes Saison, aged in gin barrels from Evanston’s FEW Distillery. The floral, spicy, and herbaceous notes of the gin and oak blend with those from the yeast in this unique beer.

2:30 P.M. – FIRST ANNIVERSARY ALE: ABV: 10.0. To celebrate our first birthday, we brewed a Belgian-style golden strong ale with honey from our home neighborhood of Hyde Park. Hints of apricot, canteloupe and lavender lead to a long, subtly spicy finish.

3:30 P.M. – SEVEN FLOWERS DOUBLE IPA: ABV: 8.2. A trans-Atlantic collaboration with our friends from Chicago’s Ale Syndicate and Celt Experience from Wales. Brewed on the summer solstice and drawing on Celtic solstice tradition, we used seven types of hops, resulting in an abundantly fruity, floral ale with an enjoyably bitter finish.

REAL ALE TENT

DOUBLE DRY-HOPPED DIVERSEY PALE ALE: ABV: 5.3. Our take on the American Pale Ale boasts a huge, citrusy aroma, along with pleasant maltiness, resulting in a balanced, refreshing beer.

Located in Detroit’s historic Rivertown district, and housed in a 1919 factory warehouse, Atwater Brewery was founded in March of 1997 with the purpose of carrying on the rich history of breweries in Detroit. Our brewing process, however, is over 200 years old. Our imported Kasper Schultz brew house allows us to brew our brands in the true heritage-style of traditional German lagers. All of our main brewing equipment was brought in from Germany, where precision and passion for beer has its roots. Likewise, we only use the finest malt and hops from Germany to brew our lagers. Our specialty ales, on the other hand, are brewed with only the finest American hops. All of which makes Atwater Block beers distinctly fresh and flavorful. Which is exactly why we live by the slogan: “We drink all we can and sell the rest.” Look us up at www.atwaterbeer.com.

VANILLA JAVA PORTER: Style: American Porter. O.G.: 13.6. IBU: 12.0. ABV: 5.5. Our number one seller flavored with a delicious vanilla bean blend and coffee roasted locally to enhance the vanilla experience. DIRTY BLONDE ALE: Style: American Pale Wheat Ale. O.G.: 11.0. IBU: 10.0. ABV: 4.2. This thirst quencher has coriander and ground orange peel for a zesty orange spice to go with this American style Wheat beer. Brewed 2 row malt and Wheat malt.

VOODOOVATOR DOPPELBOCK: Style: Doppelbock. O.G.: 18.0. IBU: 26.0. ABV: 9.0. This one is black and sweet! Its malty character derives from two caramel malts, along with Munich malt, to create the smoothest high gravity beer.

ATWATER LAGER: Style: Munich Helles Lager. O.G.: 11.5. IBU: 11.0. ABV: 4.8. A tribute to Detroit’s German roots, this traditional Bavarian-style Helles is light and refreshing. Brewed with pilsen malt, and a hint of caramel malt for color, this lager is delicately balanced with small doses of Hersbrucker hops.
UBER URSA IMPERIAL PILSNER: Style: American Double / Imperial Pilsner. O.G.: 16.8. IBU: 99.0. ABV: 6.8. We have taken a traditional German-style Pilsner, and created a monster of a beer. It is considered an Export-style pilsner. We have stepped up the malt, and backed it with an aggressive blend of Herkules and Tettnang hops for a deliciously balanced, yet slightly tilted taste experience.

CONNITION FIT IMPERIAL IPA: Style: American Double / Imperial IPA. O.G.: 19.0. IBU: 91.0. ABV: 9.0. Yes we said Imperial IPA...need we say more? OK, dry-hopped with Zythos for extra delicious hop character. Chock full of Herkules, Chinook, and Cascade hops with a malty backbone that will make the hairs on the back of your neck stand up. Enough said. Just try it!

SUMMER TIME ALE: Style: American Pale Wheat Ale. O.G.: 13.2. IBU: 24.0. ABV: 5.4. A truly unique representation of an American-style Wheat beer. It has a light, and crisp body with the distinct flavors of Vienna malt, and dark wheat. Lastly, we add ground lemon peel, and grains of paradise for a flavor experience that refreshes on the hottest of summer days.

Our meadmakers weave together threads of tradition and innovation creating high-quality honey wines that range from classic to inspired to deliciously mad. After winning awards for their homemade meads, Brad and Kerri Dahlhofer and Paul Zimmerman decided to start a small, nights-and-weekends meadmaking business in the Dahlhofer’s basement. Three years later, their meads are distributed in nine states, and have won numerous awards, including a recent gold at the Mazer Cup. Not bad for a couple homebrewers. Make sure you hit our booth this weekend you won’t be disappointed.

RASPBERRY GINGER: Style: Mead. ABV: 6.0. Guess what’s in this one... That’s right! Raspberry, ginger, and honey. So delicious. If you’ve read this far, you should just get your ass over here and try them all. :) BLACK FANG: Style: Mead. ABV: 6.0. Dark and evil. Made with blackberries and honey and “dry hopped” with whole cloves and orange zest. All swimming together in balance and harmony.

KILL ALL THE GOLFERS: Style: Mead. ABV: 6.0. We’ve taken the traditional Arnold Palmer cocktail and meadified it. “Dry hopped” black tea with honey and fresh squeezed lemon juice. Maybe we should can this one so we can take it to the golf course.

Or, more likely, it’ll just remind you that this beer is a pretty good thing.

CANE BLADE: Style: American Double / Imperial IPA. IBU: 75.0. ABV: 8.4. IPA. Word is it belonged to Napolean. Or one of his generals. And that it was the reason that Waterloo happened. Cursed, in other words. It still sits in the corner of the old bar, right next to where the old man dropped dead. Nobody wants to touch it. The dog who came into the bar and bumped into it lost a leg. Seriously. Of course the one time that old Leo bought a fresh beer and set it right next to the cane, the boys at school won state the next day. Who knows. Strong mojo. Strong stuff.

Head Brewer: Steven Ratcliff
www.bentriverbrewing.com
1413 5th Ave, Moline, IL, 61265 | 309-797-2722

Established 1999. Local legend has it that when the Father of Waters passed this area, he was so tantalized by the beauty of the surrounding land that he turned his head to admire the view. This is why the Mississippi River runs east and west through the Quad Cities. In 1843, Moline, Illinois was platted. The name comes from the French “Moulin” or City of Mills, because of all the sawmills handling thousands of logs sent down the river. In 1847, blacksmith John Deere arrived in Moline and built his first factory to produce steel plows. Industrious immigrants headed to Moline to find work in the growing farm implement industry. The rest is history. In keeping with this proud tradition of hard work and faith in the free enterprise system, the Bent River Brewing Company was formed. Located in the historic Olde Towne river-front area of Moline, the turn-of-the-century building captures the spirit of that bygone era with its two store fronts and decorative stone arches, a spirit captured in our traditional brews.

UNCOMMON STOUT: Style: American Dark Wheat Ale. O.G.: 13.03. IBU: 28.0. ABV: 6.5. This unique stout is our top selling beer. We infuse our Oatmeal Stout with some of the best quality coffee available to make this award winning medium bodied beer.

Berghoff's history as a beer brand goes back over 120 years, and in that time it has developed a reputation of high quality and consistency. The first batch of Berghoff beer was brewed in Fort Wayne, Indiana, in 1887 by Herman Berghoff and his three brothers, Henry, Hubert, and Gustav. Herman's desire to expand the market for the family’s beer led him to sell the product at the Chicago World's Fair of 1892.

Berghoff Beer was produced and distributed semi-nationally, until around 1960, when The Joseph Huber Brewery was awarded the right to produce Berghoff beer for The Berghoff Restaurant (and bar) in Chicago. This led to the brewery receiving full ownership and brewing rights for the brand. From 1960, through recent times, Joseph Huber continued to produce and expand upon the Berghoff beer line. The beer continued to grow in popularity, until it really started to “hit its stride” as a large regional brand in the mid 1990’s.

When The Joseph Huber Brewing Company was sold in 2006 to become The Minhas Brewery, the Berghoff line was split off and became its own brewery in 2007. Today, The Berghoff Brewing Company is still providing this high quality, popular craft brew to every person who desires it. As the brewery looks to the future, Berghoff beer will continue to evolve as trends change, but will always maintain its roots as an authentic German style brew, whose history and tradition will never be forgotten.

BLACK HUSKY BREWING | 117

Toni & Tim Eichinger

www.blackhuskybrewing.com

W5951 Steffen Lane, Pembine, WI, 54156 | 715-324-5152

Started in 2009, Black Husky Brewing is Wisconsin’s first nano-brewery; a log cabin brewery tucked in the woods of northeastern Wisconsin. As a nano-brewery (which is smaller than a micro-brewery) we are in many ways reflective of the tradition of breweries in years past that would serve a neighborhood or small community. We produce our beer in small batches, which gives us flexibility to produce a variety of high-quality beers to satisfy a wide range of tastes.

The human members of Black Husky Brewing are Tim Eichinger and Toni Eichinger. Howler is “The Black Husky” and appointed representative of our whole family and the small sled dog kennel that was started by our son, Jake. Our kennel is now a retirement home but each of our dogs is a part of our family and the inspiration for our brewery. You’ll see our dogs on our labels, and hear much more about them in days to come.

PALE ALE: Style: American Pale Ale. O.G.: 17.0. IBU: 43.0. ABV: 7.1. SRM: 6.0. Domestic base malts and continental Munich malt. Low bitterness but heavily dry-hopped. Hop forward with some lingering maltiness. Black Husky Pale Ale, our flagship beer, is a beer worthy of THE Black Husky, Howler. Like Howler, our pale ale does not let others define its style, so while some say it’s an IPA we say, “whatever—just drink it already.” What it is is an excellent beer! With a straightforward grain bill and hop schedule it is easy drinking and with copious amounts of hops.

SPROOSE JOOSE: Style: American Double / Imperial IPA. O.G.: 20.0. IBU: 103.0. ABV: 8.5. SRM: 7.0. Domestic base malts and continental Munich malts. Brewed with locally harvested spruce. Intense pine with a moderate malt profile. “Reminiscent of the essence of pine wafting in the breeze as you stroll through the forest on a cool, crisp winter’s evening…... What? Really? Lothar (“The Biter”) would sooner, well, bite you, then listen to you extol the virtues of the pine forest. This Black Husky innovation is not so subtle—and it’s not meant to be. Brewed with locally harvested spruce tips and tracking in at 103 IBUs this aggressive double IPA won’t leave you wondering if you caught a whiff of pine; rather you’ll know you bulldozed through the forest and came out on the other side—the dark side—the Black Husky side.

SPARKLY EYES: Style: American Double / Imperial IPA. O.G.: 26.0. IBU: 109.0. ABV: 10.9. SRM: 10.0. Domestic malts, brewed with locally harvested spruce. A bigger, maltier version of Sproose Joose. The role of the New Earth Army is to resolve conflict worldwide. One of the techniques utilized is Sparkly Eyes which psychically gives the disinclination to attack others. You can see Lothar practicing this technique which may be followed by non-lethal methods of conflict should Sparkly Eyes fail to be effective. We have developed Sparkly Eyes Imperial Sproose so you too can adopt the peaceful ways of the Warrior Monk on your journey to being a Jedi of the New Earth Army.

HAROLD THE IMPERIAL RED: Style: American Amber / Red Ale. O.G.: 22.0. IBU: 11.0. ABV: 8.9. Brewed with domestic malts and continental Munich malts. Very malty with unique fruit-like flavors. Nothing that is felt about Harry can be put into words. We simply offer you our Imperial Red in remembrance of Harry and all that he was and meant to us. Either you understand that or you don’t—either way “belly up to the bar” and have one in memory of Harold and whomever your Harold might be. P.S. For those of you looking for the interminable beer description, Harry would have said “What part of Imperial Red don’t you understand?”

BIG BUCK BROWN: Style: American Brown Ale. O.G.: 20.0. IBU: 16.0. ABV: 8.0. SRM: 22.0. Brewed with domestic and continental caramel malts and locally produced maple syrup. Malty, with caramel and fruit flavors. This beer is our best effort to save the White-tailed Deer, providing all you hunter-types the perfect opportunity to sit back, relax in your cabin, put your feet up, tell tall tales, yet still save face and go back to your peoples with your head held high. In sincere honesty you can tell them “This year I got a Big Buck…... Nikki, our rescue dog, had a rough life before we met him, yet learned to trust us, even patiently posing with fake antlers while we shot the perfect pose (with our camera!). Certainly you too can sacrifice—have a Big Buck Brown when you’re supposed to be hunting in the cold, harsh woods. You’ll honor his memory by saving a deer. If you need more incentive, it’s brewed with maple syrup so you can consider it breakfast.
THREE SCRUTINEERS: Style: Tripel. O.G.: 18.5. IBU: 26.0. ABV: 8.6. SRM: 3.0. Brewed with continental base malts, simple sugar and American hops. Light body with strong yeast profile. When the College of Cardinals elects a new Pope, three are chosen to inspect the ballots and they are called the Three Scrutineers. An effervescent and pungent ale, get a bottle with three friends, scrutinize this beer like Knight, Papa and Rosie. Pope hats are optional.

HONEY WHEAT: Style: American Pale Wheat Ale. O.G.: 17.0. IBU: 110. ABV: 7.5. Brewed with domestic malts, red wheat and locally harvested honey. Medium body with strong honey flavors. Much like Harvey, this beer has more to it than meets the eye.

TWELVE DOG IMPERIAL STOUT: Style: American Double / Imperial Stout. O.G.: 245. IBU: 310. ABV: 8.8. Brewed with twelve different malts. Somewhat smaller than some Imperial Stouts; less roasty and more fruity. In the lower 48, 12-dog racing is king. To honor that tradition, our Imperial Stout uses 12 malts. In harness each dog brings a unique personality, providing an unpredictable & exciting ride! A Lead dog guides the adventure and while Rosie is smallest in stature, she has the largest personality and is the natural representative for this intensely flavored, full-bodied beer—a bit over the top, as is Rosie. She wears her crown proudly!

AMERICAN DARK ALE: Style: American Black Ale. O.G.: 1066. IBU: 68.0. ABV: 6.3. It's a Black IPA or is it a Cascadian Dark Ale? Frankly, we don’t like either of those names, but you’ll like this beer! Not as roasty as a porter or a stout, it has just a touch of dark malts.

BRETT EMERITUS OLD ALE: Style: Old Ale. O.G.: 1084. IBU: 66.0. ABV: 8.1. Our old ale was fermented with a mixed yeast culture which included the wild yeast Brettanomyces. It aged for many months during which time it developed a rustic and earthy farmhouse character.

HATTORI HANZO PALE ALE: Style: American Pale Ale. O.G.: 1052. IBU: 66.0. ABV: 5.0. This light and refreshing pale ale is made with 100% Sorachi Ace hops. These unique hops impart aromas of lemongrass and dill. (This beer was first brewed for the ICGB Replica 2010.)

SAMBURRO CHILI BEER: Style: Chile Beer. O.G.: 1056. IBU: 52.0. ABV: 5.25. Our first ProAm brew returns! Samburro is the brainchild of local homebrewer Sam Elson. Mexican morita peppers give this amber ale a gentle smoky aroma and just a hint of spicy heat.

COFFEE STOUT: Style: American Stout. O.G.: 1058. IBU: 490. ABV: 5.5. Ten pounds of cold-steeped Sumatran coffee from the Columbia Street Roastery adds an extra dimension to our dry Coffee Stout. Each pint contains roughly 1/4 cup of coffee. Wake up and relax at the same time!

HARD CIDER: Style: Cider. O.G.: 1064. ABV: 8.4. Our hard cider is made with nothing but pure Curtis Orchard sweet cider and brewer’s yeast. No fancy tricks or processing, just fruit, yeast and a little patience.

CHERRY MILK STOUT: Style: Milk / Sweet Stout. O.G.: 1085. IBU: 25.0. ABV: 7.0. Roasted barley, milk sugar, and 42 pounds of Oregon pie cherries combine to make a wonderful cold weather restorative. Full bodied with aromas of coffee and stewed fruit, sweet but not too sweet.

SAISON DE LE SORCIÈRE: Style: Saison / Farmhouse Ale. O.G.: 1073. IBU: 45.0. ABV: 8.5. Pale malts, Brettanomyces yeast, and 8 spices & herbs magically combine in this bewitching brew. (Black pepper, rose hips, grains of paradise, hibiscus, sumac, dried orange peel, dried whole lemon, and fresh lime zest.)

REAL ALE TENT

BLIND TIGER BREWERY & RESTAURANT | 109

Brewwmaster: John Dean
www.blindtiger.com
417 SW 37th St, Topeka, KS, 66611 | 785-267-2739

We opened the first brewery in Topeka since the Prohibition era. It is named after the Prohibition era custom of displaying stuffed tigers in establishments to alert patrons of the availability of bootleg alcohol. These speakeasies were referred to as “Blind Tigers.” We keep at least six flagships and seven rotating seasonals on tap, to the tune of about 1200 barrels a year. Our brews have gathered 11 GABF medals and 4 WBC awards over the past twelve years. Our Brewpub is located at 37th & South Kansas Avenue. Keep an eye open for the Blind Tiger Beer Backpacks. We will be walking among you dispensing samples of select beer to the needy folk in the Johnny lines! Have Beer, Will Travel!

COUNTY SEAT WHEAT: Style: American Pale Wheat Ale. O.G.: 1.048. IBU: 22.0. ABV: 4.5. When you brew in the wheat state, you’d better have a damn good wheat beer. This award winning American style wheat beer delivers. Our straw gold beauty is dripping with sunshine. The floral hop aroma is reminiscent of a wildflower laden prairie meadow. The bready malt character brings visions of amber waves of grain. She finishes crisp and clean, then leaves you with a broken heart.

TOUGH GUN IPA: Style: American IPA. O.G.: 1.076. IBU: 50.0. ABV: 7.3. San Diego Style IPA! On a trip to San Diego we had several opportunities to soak up the local beer scene. San Diego area brewers and their aggressively hopped beers have made the West Coast style of brewing famous. This IPA employs indecent amounts of Amarillo & Simcoe hops. We named this brew after the TOP GUN fighter pilot school. Stay classy San Diego!

CAPITAL CITY KOLSCH: Style: Kölsch. O.G.: 1.048. IBU: 18.0. ABV: 4.5. After sampling some Kolsch Bier in Germany I found that my old recipe needed some tweaking. Kolsch is a great beer for those who enjoy light beers or American pilsners. The light and subtle flavors of Kolsch are similar and yet more complex than the typical Joe Six-Pack beer. The lager like characteristics are achieved through a long maturation period of cold conditioning. Kolsch, the King of Cologne, be careful how you use it.

JAVA PORTER: Style: American Porter. O.G.: 1.064. IBU: 33.0. ABV: 5.4. Our award winning coffee beer! We brew this robust style Porter with coffee we roast at the Brewery. The roasted coffee compliments the dark roasted malts we use in this brew. English malts and hops round out the balance. Mmm, the perfect breakfast beer.

WILD RICE AMBER LAGER: Style: American Amber / Red Lager. O.G.: 1.052. IBU: 17.0. ABV: 4.7. The legends of the Bois Forte Band of Chippewa (also called Ojibwe or Anishinaabeg) tell of how a great vision guided their ancestors westward through the Great Lakes in search of “the food that grows upon the water.” The vision led them to Nett Lake, located in what is now northern Minnesota, where they found Manomin, known today as wild rice, covering the lake for as far as they could see. Each September tribal members venture out in canoes to harvest the wild rice by hand, according to their time-honored traditions. They allow no chemicals, motorboats, or other machinery to disturb the pristine waters so important to their culture and traditional livelihood. Harvested rice is winnowed and parched with special care to ensure flavor and nutritional value. My first encounter with a wild rice beer was in the late 90’s at the Capital Brewery in Wisconsin where Brewmaster Kirby Nelson created the first one I know of. Wild rice adds a wonderful nuttiness to this copper colored beauty. Long lagering increases its drinkability and leaves this beer very clean and quite quaffable. We used a new hop named Aramis for this malthead's delight!

HOWLING MAN IMPERIAL IPA: Style: American Double / Imperial IPA. IBU: 75.0. ABV: 9.3. The Big Brother of the classic India Pale Ale, Howling Man has the creamy, full body of a stout with the hoppiness of an India Pale Ale. Howling Man has an incredible profile of both floral almost sweet hoppiness combined with a crisp hop bitterness. Sit back, relax and howl!

BOWFISH IMPERIAL STOUT: Style: American Double / Imperial Stout. IBU: 45.0. ABV: 7.5. The Bowfish has a rich, intense maltiness with caramel and roasted flavors. It took 800 lbs. of grain and two days to brew!

Brewed with pale malt and a touch of wheat, and kettle hopped with Simcoe and Summit. Fermented with a Belgian yeast. Dry hopped with Ahtanum and Zythos in the fermenter. Dry hopped again in the keg with Cascade.

HUB CITY STEAM BEER: Style: California Common / Steam Beer. O.G.: 1.05. IBU: 32.0. ABV: 5.1. A Wisconsin twist on an iconic American style. This copper colored beer is brewed with pale and caramel malts for a toasty, grainy malt character, backed up by a firm hop bitterness. Fermented with a unique strain of lager yeast at warmer than typical temperatures.

ALTBIER: Style: Altbiere. IBU: 30.0. ABV: 4.2. Altbiere, literally translated as “Old Style” beer, is a classic German ale. BBC Altbiere is brewed with additions of Munich, wheat, caramel, and chocolate malts creating a delicate, but flavorful malt profile. This
delicious amber colored session beer is balanced with additions of traditional spicy German hops creating a light and floral bouquet to compliment its complex malt profile.

STOUT TOBY: Style: American Stout. IBU: 34.0. ABV: 9.5. Stout Toby is our stout recipe aged in Four Roses Bourbon Barrels for a four to six weeks. The result is a rich and voluptuous stout with heavy notes of vanilla and oak. While at 9.5% this Stout has a decidedly fiery kick to it.

PEONY: Style: Belgian Strong Pale Ale. ABV: 10.0. Chardonnay barrel aged Belgian strong golden—lacto/ped/brett
SPIDER: Style: Belgian Dark Ale. ABV: 13.8. Pinot noir barrel aged Belgian brown—lacto/brett
Established 1986. 2011 marks the 25th year that Capital Brewery has been brewing. We began with the idea of specializing in Lager beers, the type that Wisconsin became famous for. And we continue to honor that commitment today. We strive to make beers that are interesting personalities in their own right, yet are very well balanced and quaffable.

Central Waters Brewing Company moved to Amherst, WI in 2007 in order to increase production and distribution. The move allowed the installation of a new 30 barrel brewhouse with a set of 30 and 60 barrel fermenters and a capacity of 6,000 barrels per year allowing for distribution across all of Wisconsin and nearly half of Minnesota. Numerous energy saving measures have been installed in the Amherst facility which has been coupled with over a 1,000 square feet of solar thermal panels making Central Waters Wisconsin's first green brewery. Stop by the brewery sometime and check out our Tap Room (made almost entirely of recycled materials)—there is always something special on tap or try a Shine ON which is brewed with organic barley grown only two miles from the brewery.

**GLACIAL TRAIL IPA:** Style: American IPA. ABV: 6.0. A well balance American style IPA.

**MUDPUPPY PORTER:** Style: American Porter. One of the brewery’s best sellers—a surprisingly refreshing dark beer.

**BREWHOUSE COFFEE STOUT:** Style: American Stout. A limited release beer, this imperial coffee stout clocks in at 8.5% and drinks like a pure cup of Joe. For coffee lovers only!
HOP RISE: Style: American IPA. ABV: 4.5. Our newest flagship, this hoppy session is the perfect beer, made for brewers, for everyone. At only 4.5%, this ale drinks like a 6.5% IPA. Citrus notes and tropical fruit flavors abound.

OCTOBERFEST: Style: Märzen / Oktoberfest. ABV: 4.8. Our Fall seasonal and just released, this beer has a nice malty flavor and clean profile, as you would expect.

4259 Mahoney Rd, McFarland, WI, 53558

Established in 2000. We are a small orchard and cider house near McFarland, WI. We planted our first antique cider cultivars in 1989. Cultivar: cultivated variety, for example, Macintosh or Newtown Pippen. We started producing real cider in 2009, although we’ve sold juice for over ten years. Our cider is blended by selecting from over 200 unique antique cider apples in our orchard. Our ciders offer you a unique symphony of apple, spice, and citrus— from apples with high malic acid and tannin, blended with higher Brix varieties from other orchards we manage, to provide enough sweetness and sparkle to entice an American taste. Visit us to gain a first hand insight into our orchard and cider house and how our apples become real cider.

2109 Hickory St, Cross Plains, WI, 53528 | 608-798-3911

Esser’s Best was first established in 1863 and revived in 1995. George Esser arrived from Germany in 1852 with a taste for good German beer. He built a brewery in Cross Plains in 1863 and called his beer Esser’s Best. Six generations of Essers have continued the tradition, keeping the company alive during Prohibition by distributing “near beer.” Re-established in 1995, under the direction of Wayne and Larry Esser, Esser’s Best is now brewed in Stevens Point from the original recipe. The Essers added a second brew in May of 2001, a pilsner beer, Cross Plains Special. Both beers are available in bottles and kegs with statewide distribution.

CROSS PLAINS SPECIAL: Style: German Pilsener. O.G.: 12.1. IBU: 17.0. ABV: 5.0. Refreshing, golden, medium-bodied pilsner with a pleasant malt flavor and lightly hopped for good balance.

ESSER’S ANNIVERSARY ALE: Style: American Amber / Red Ale. O.G.: 13.8. IBU: 40.0. ABV: 4.5. Named on behalf of the Esser family celebrating 150 years in the beer business, this medium-bodied ale starts with a rich malt taste that’s kept in balance by a smooth hop finish. The variety of malts used creates a traditional body and brings out a creamy flavor.

1576 Bardstown Rd, Louisville, KY, 40205 | 502-458-8727

Cumberland Brews opened as a small 2 barrel Brewpub in August 2000. As Louisville’s demand for our beers grew over the years we were able to open a 15 barrel offsite production brewery 5 years ago. The expanded Brewery has allowed us to keep the brewpub stocked as well as distribute throughout Louisville and into Lexington and Northern Kentucky. The 2 barrel system continues to crank out specialties only available at the brewpub.

HILLIBILLY PILS: Style: Czech Pilsner. O.G.: 12.0. IBU: 5.0. Hillibilly Pils is a Bohemian Pilsner. Brewed with Pilsen malt from the Czech Republic with a small addition of caramel malt. The malt sweetness is balanced with plenty of Czech Saaz hops for a pleasant bitter finish.

TRIPEL CROWN: Style: Tripel. O.G.: 19.5. IBU: 23.0. ABV: 9.25. This Belgian Tripel was brewed back in May 2012. We gave it a year of aging before putting it on tap during Kentucky Derby Weekend. Brewed with three different grains (barley, wheat, oats), Three different hops (Syrian Goldings, Tettnanger, Czech Saaz) and a blend of three Belgian Yeasts.

L&N #152: Style: California Common / Steam Beer. O.G.: 13.0. IBU: 40.0. ABV: 5.4. This California Common is named after the official Steam Locomotive of Kentucky. Deep amber lager, hopped with Cascade and Northern Brewer Hops.

DARK HORSE BREWING CO. | 315
Owner: Aaron Morse
www.darkhorsebrewery.com
511 South Kalamazoo Ave, Marshall, MI, 49068

Established 1999. A brewer slowly climbed from the lowest points of business life with a sore ass, as he ascended to a new level. Hark! the horse of the dark nature holds the scales where the wheat and barley feedeth, not taketh from the mouths of man. A non-filtered view of hard work, careful perseverance of expansion, sticking to what is believed to be the right way and the only way to stay true to high quality, and also, the vague understandings of possible humor; blurring his family’s, employees’ and customers’ drinking experience and vision between a no-bullshit approach to brewing big, outstanding beers and selling nonsensical imagery and haberdashery. Proven to the masses as a Darkhorse trademark for the man behind the reins.

CROOKED TREE IPA: Style: American IPA. ABV: 6.0. Inspired by West Coast I.P.A.‘s, but brewed with Michigan style. The Crooked Tree is heavily dry hopped to give it a big aroma of pine and citrus. The flavors are big, yet very balanced between fresh hops and malt. Often described as “grapefruit” our hops give this beer an excellent fruit flavor that finishes dry, crisp, and clean. It will pour a nice deep copper color with a bit of haziness. Because of our almost patented “Intense Transfer Methods” our Crooked Tree has won several medals in the India Pale Ale category.

RASPBERRY ALE: Style: Fruit / Vegetable Beer. ABV: 5.0. A lot of people have asked us “why are there Bee’s on the label?” Well, we don’t really have an answer for you other than they just look cool. This is a light bodied easy drinking ale. We only use real raspberries so the flavor is very mild fruit and balanced, not what you would expect from a “fruit” beer. The way we see it we’re brewers so lets make good beer, not some fruity carbonated malt beverage. Oh yeah, our motto…”beer first, fruit second.”

RESERVE SPECIAL BLACK ALE: Style: American Black Ale. ABV: 7.5. Conceived in a dimly lit room on a blistery cold night in the Upper Peninsula of Michigan, but born and raised here in Marshall Michigan. The Reserve Special is the oldest of all beers in the Dark Horse family. It has an incredibly “thick” presence and when poured into a glass its color is so dark it’s eerie. The flavors explode onto your taste buds with heavy malt, roast, and chocolate, but stay very balanced. The Reserve Special Black Ale has a hard time being called a stout or porter but it fits nicely into the category of a delicious strong black ale.

BOURBON BARREL PLEAD THE 5TH IMPERIAL STOUT: Style: American Double / Imperial Stout. ABV: 12.0. Our good ol’ Imperial Stout that we let hang out in Bourbon Barrels a few months.

ON THE ROAD PALE ALE: Style: American Pale Ale. ABV: 5.5.

DOUBLETROOKED CROOKED TREE IPA: Style: American Double / Imperial IPA. ABV: 12.0. Have you read the description for the regular Crooked Tree yet? Well this beer is almost the same just double the flavor and alcohol. We actually took the Crooked Tree recipe and doubled all of the ingredients except the water, just the way a DOUBLE should be
made. Big hops balanced with tons of malt give this beer a huge body. Although this beer is as cool as “The Fonz” when first purchased, it gets really mellow and smooth with some age. After a year or two stored in a cool dark place you’ll notice the heavy caramel and malt flavors are trying to sneak past the hops. This beer is hugely delicious so it will need your undivided attention (the chores can wait….trust us).

DESTIHL is a gastrobrewpub that handcrafts an uncommonly extensive array of beer styles, with over 50 different styles brewed at each location per year and close to 20 of our beers on tap at a time. We brew in small batches so that we can rotate as many beers as possible. We brew more beers for our guests simply because we have a passion for brewing. We utilize both global brewing traditions and new American craft brewing ingenuity, including long-term barrel aging of beers such as our award-winning spontaneous/ uninoculated/wild-fermented Saint Dekkera Reserve Sour Ales, which have medaled for the last three consecutive years at FoBAB in the wild acidic beer category, and our Dosvidanya Russian Imperial Stout, which won ‘Beer of the Year’ at the 2011 Beer Hoptacular! In Chicago. DESTIHL’s first location opened in Normal, IL in 2007, and its second location opened in downtown Champaign, IL in April 2011.

ABBEY’S SINGLE: Style: Belgian Pale Ale. IBU: 22.0. ABV: 4.9. SRM: 3.0. A Belgian-style abbey ale crafted like those that Trappist monks brew for their own consumption. It is light bodied, light in color and relatively lower in alcohol but with spicy and fruity characteristics from Belgian yeast.

STRAWBERRY BLONDE: Style: American Blonde Ale. IBU: 15.0. ABV: 5.0. SRM: 4.0. This fruit beer is made by adding generous quantities of strawberries to a blonde ale base beer, providing harmonious fruit qualities, golden-strawberry blonde color, crisp/dry palate, light body, low hop characters & bitterness and light malt & fruit sweetness.

SAISON DE RUISEAU: Style: Saison / Farmhouse Ale. IBU: 26.0. ABV: 6.0. SRM: 9.0. We curse daily at this beer because it takes so long to ferment, but it’s worth the wait, despite our emotional scarring. This Belgian-style Saison has golden/light copper color, light body, medium hop bitterness, flavor & aroma, medium-low malt flavor & aroma and spiciness from added coriander. Fruity esters dominate the aroma while complex alcohols, acidity, low Brettanomyces character and clove and smoke-like phenolics from Saison yeast.

AMBASSADOR AM-BELGO DOUBLE PALE ALE: Style: Strong Belgian Pale Ale. IBU: 48.0. ABV: 6.6. SRM: 8.0. The best of both brewing worlds: A hybrid Belgian-American strong pale ale with golden-copper color, medium body and maltiness, low caramel/toasty malt flavor, floral and citrus-like American-variety hops used to produce high hop bitterness, flavor and aroma but some phenolic spiciness and high fruity esters from Belgian ale yeast.

VERTEX IPA: Style: American IPA. IBU: 76.0. ABV: 6.3. SRM: 9.0. This West Coast/Rocky Mountain-style India Pale Ale is back-hopped for a more intense hop bitterness, flavor and aroma without the balance of caramel malts like our Midwest-style Baldock IPA. It has medium-high alcohol content, high fruity, floral and citrus-like American-varietal hop character, deep golden color and medium maltiness.

BLACK ANGEL STOUT: Style: American Stout. IBU: 64.0. ABV: 6.7. SRM: 45.0. An American Stout with medium malt sweetness, chocolate and roasted malt flavor and aroma, dry-roasted bitterness in the finish, full-bodied and assertive citrus hop bitterness, aroma and flavor. World Beer Championship Award: Silver Medal 2011.

HOPERATION OVERLOAD: Style: American Double / Imperial IPA. IBU: 85.0. ABV: 9.6. SRM: 11.0. An Imperial or ‘Double’ India Pale Ale with characteristically intense yet greatly balanced hop bitterness, flavor and aroma. It is deep golden-light amber/copper in color, although the use of the huge amounts of hops may cause a degree of appropriate hop haze. Alcohol strength is high but balanced by the hops and malt profile. World Beer Championships Award: Bronze Medal 2011.

DRYHOP BREWERS | 103
Owner: Greg Shuff | Brewmaster/Ninja-genius: Brant Dubovick
3155 North Broadway, Chicago, IL, 60657
DryHop Brewers, established in June of 2013, is a brewery and kitchen located in the East Lakeview neighborhood of Chicago. The craft beer we brew is only available there. Everything that comes out of our kitchen is prepared from scratch and, when the seasons allow, is locally sourced.

Head Brewer Brant Dubovick focuses on hop-centric ales. In addition to our IPAs and Pale Ales, we mostly brew traditional, Belgian, and experimental craft beers. Brant is a ninja-genius. Because there’s no fresher way to get craft beer at home than in a growler, we also have a dedicated growler bar with honest pours straight from the source.

Knowing that craft beer is social, we designed our menu to complement the ideals of community and respect for the craft of brewing. In less metaphorical terms, the menu is mostly shared plates with each dish designed to showcase the flavors and seasonality of the brewery. We don’t mean to say that beer is in every dish, but it’s absolutely a huge influence on dishes.

Hanging out at DryHop is all about being in a brewery; feeling connected to the craft brewing and culinary worlds; and most importantly, feeling a personal connection to a community of craftsmen. Respect the craft. Cheers, DHB.

Brewmaster: Ryan Clooney

128 W. Main St., West Dundee, IL, 60118 | 847-428-4500

Established in 1999, Emmett’s Brewing Company is comprised of three brewpubs in the Chicago suburbs. Tradition, craftsmanship, and the highest standards in beer and food are our passion. We believe in using only the finest ingredients in what we make, whether they are destined for your pint glass or your plate. Our original pub is in West Dundee and houses our copped-clad seven barrel JV Northwest system. We produce about 500 barrels per year here, including all of the company’s cask-conditioned ales. We opened Downers Grove in 2004 and brew on a 15 barrel Specific Mechanical system to make about 850 barrels per year there. The 10 barrel DME system at Palatine is our newest brewery and is also the home of our bottle and draft packaging operations. We began bottling our Victory Pale Ale in early 2010 and currently distribute it throughout northeast IL. McCarty Red Ale joined the bottled lineup later that summer.

EMMETT’S PALE ALE: Style: American Pale Ale. O.G.: 13.7. IBU: 47.0. ABV: 5.6. 2-Row Pale, Munich, and Crystal malts. Cascade, Chinook, and Centennial hops. Emmett’s Pale Ale is a hop lover’s dream! Big hop flavor, aroma and bitterness dominate this bold ale. Floral and citrus characteristic abound, balanced nicely by a smooth maltly sweetness. This American Pale Ale epitomizes what American Craft beer is all about. Available year-around.

EMMETT’S RED ALE: Style: Irish Red Ale. O.G.: 13.5. IBU: 44.0. ABV: 5.6. 2-Row Pale and Caramel malts. Chinook, Centennial, and Cascade hops. Emmett’s Red Ale is an aggressively hopped American-style red ale. It has a noticeable floral/piney hop aroma that carries right into the flavor. A healthy dose of English caramel malt balances out the heavy hop load and lends an almost candy-like characteristic to this American classic.

EMMETT’S HEFEWEIZEN: Style: Hefeweizen. O.G.: 12.0. IBU: 12.0. ABV: 5.0. 2-Row Pale, Wheat, and Munich malts. German Hallertau hops. Emmett’s Hefeweizen is a German-style Hefeweizen. It has aromas of banana, clove, lemon, and vanilla. Staying true to style, the aromas transfer into the flavor, along with a tart acidity similar to lemon. This beer is unfiltered, which leaves the yeast in suspension giving the beer that hazy, cloudy appearance. More carbonated than most beers, the Hefe is refreshing and thirst quenching...the perfect summer beer!

Figure Eight is a small craft micro brewery and pub situated in the city of Valparaiso (Vale Of Paradise) Indiana about 60 miles south and east of Chicago. While we are only just getting started, we are excited to join the other craft brewers in north west Indiana (Three Floyds, Shoreline, Crown, and Backroad), helping to make this area a craft brew destination. Perhaps one day there will be signs along our highways stating “Craft Brewery Trail” similar to the “Bourbon Trail” in Kentucky or the “Whisky Trail” in Scotland. Figure eight is a knot used in sailing and rock climbing. Aside from good...

beer, rock climbing is one of our passions and this tradition is used to tie the safety rope to the climber's harness. An aesthetically pleasing knot, when turned on its side it also looks a bit like the symbol for infinity. So sticking with our passions, we hope to take Figure Eight Brewing to infinity and beyond! (Or at least to the point where we are producing some very tasty and satisfying brews :-)

Our philosophy is simple. Life is short and one never knows how long each of us has. if we wait too long to pursue our dreams, then we may never have the opportunity to do so. As John Barrymore once said—"A man is not old until regrets take the place of dreams." Taking on the challenges of pursuing our dreams often begs the question of why? When asked why he climbed mountains, Mallory once said—"So, if you cannot understand that there is something in man which responds to the challenge of this mountain and goes beyond! (or at least to the point where we are producing some very tasty and satisfying) brews :-)

FINCH’S BEER CO. | 214

Head Brewer: Richard Grant
finchbeer.com | hello@finchbeer.com
4565 North Elston, Chicago, IL, 60630 | 773-283-4839
Chicago’s Finch’s Beer Company rolled out it’s first brews in 2011. Our three production beers include Golden Wing Blonde Ale, Cut Throat Pale Ale, and Threadless IPA. We are constantly experimenting with numerous styles while providing our unique twist on traditional favorites. Look for our cans on shelves as of August. We are thrilled to be a part of this year’s Great Taste “freshman class!” For more information about tours, events, and upcoming homebrew classes at the brewery, check out our website.

GOLDEN WING BLONDE ALE: Style: American Blonde Ale. O.G.: 10.5. IBU: 30.0. ABV: 5.0. Deep gold in color, we use both carapils and aromatic malts to create a moderately malty backbone to this beer. Generous amounts of Northern Brewer hops create an initial bitter bite than most typical blonde ales. Cascade finishes this beer with notes of fruitiness/citrus, while finishing dry.

CUT THROAT PALE ALE: Style: American Pale Ale. O.G.: 12.0. IBU: 35.0. ABV: 5.6. Caramel, kiln amber, and wheat malts make up the malt bill for this unique pale ale. How is it unique you may ask? We toss in some sweet orange peel in the final days of fermentation along with more Cascade hops to create a subtle citrus finish.

THREADLESS IPA: Style: American IPA. O.G.: 13.0. IBU: 80.0. ABV: 6.0. Our Threadless/ Finch’s collaboration is our Midwest Lake on an American classic. We use a variety of hops, but the primary one is Columbus lending a piney flavor to this beer. We dry hop with Willamette, Summit, and more Columbus to make a sessionable IPA.

FASCIST PIG ALE: Style: American Amber / Red Ale. O.G.: 18.0. IBU: 70.0. ABV: 8.0. Fascist Pig is a deep red, malt-forward ale brewed with plenty of caramel malts and a touch of rye. This ale is brewed and dry-hopped with Palisade, an earthy and somewhat floral, American variety, and Zythos, an American blend that leans strongly toward Amarillo, Simcoe and Cascade varieties in terms of citrus and pine. The pig on the label is wearing a similar shirt to that of Tony Montana in “Scarface”.

SECRET STACHE STOUT: Style: American Stout. O.G.: 17.0. IBU: 25.0. ABV: 5.3. Secret Stache Stout is a robust yet sweet stout. The specialty ingredients, vanilla bean and lactose, lend to its complexity and full flavor. While no actual chocolate was used to brew this beer, heaps of chocolate malt give the beer its color as well as its chocolate and coffee notes. Torrified wheat is also used in the recipe for additional body and head retention. The beer was hopped three times with Fuggles. However, they do not make up a prominent part of the beer. The vanilla beans were thrown directly into the fermenter to be steeped at room temperature. Take your time on this one. Its lightly carbonated syrupy goodness will change with the temperature.

1:00 P.M. – AWESOME CABEZA MEXICAN LAGER: STYLE: Mexican Lager. O.G.: 11.9. IBU: 25.0. ABV: 5.6. It’s summertime. It’s time for lagers. It’s time for some lucha libre! Noble hops (Sterling and Hersbrucker) Pilsner malt, and a little bit of flaked corn create a balanced, dry, unfiltered, summer lager. It’s Awesome Cabeza time! (lime’s not included).

1:00 P.M. – SHOCK AND AWE BROWN ALE: STYLE: American Brown Ale. O.G.: 14.0. IBU: 34.0. ABV: 5.9. This beer pours dark brown in color with notes of chocolate and caramel malts being the predominant malts. Wheat malt is used for head retention and mouthfeel. It has medium hop aroma and flavor contributed by Northern Brewer while bitterness is achieved with Centennial. It is dry-hopped with Centennial resulting in a medium to low hop presence.

1:00 P.M. – WET HOT AMERICAN WHEAT: STYLE: American Wheat. O.G.: 10.6. IBU: 22.0. ABV: 5.0. Wet Hot American Wheat is named for it’s particularly “wet” mash and “hot” initial fermentation temperature. It is brewed and dry hopped with Centennial and Columbus hops and utilizes two different kinds of wheat malt, White wheat and Torrified wheat. This beer has an initial sweetness that is balanced by hop additions late in the boil.

1:00 P.M. – SECOND TIMES A CHARM BARREL-AGED STOUT: STYLE: American Stout. Same stats as the Secret Stache Stout but with barrel aging fun! Our stout aged in Koval barrels for a second time for six months. Notes of coconut and oak are the predominant flavors.

BARREL AGED FIRESIDE CHAT: Style: American Barleywine. O.G.: 28.1. IBU: 90.0. ABV: 11.0. Fireside Chat is an American Style Barleywine that was first brewed by B.O.S.S. President Mark Westmeyer. We brewed this beer with Mark at Flossmoor Station in August 2012 to be aged in oak barrels. The hefty malt body is rounded out by flavors of vanilla and bourbon picked up from 10 months of aging in Woodford Reserve Barrels.

BARREL AGED THUNDERSNOW: Style: Russian Imperial Stout. O.G.: 21.6. IBU: 67.0. ABV: 9.0. Several Months of aging in Woodford Reserve barrels brings a new dimension of flavor to this rich and complex Russian Imperial Stout. With so many flavors coming into play this beer continues to change over time.

MYCETES: Style: Belgian Strong Pale Ale. O.G.: 20.1. IBU: 23.0. ABV: 8.5. This Belgian Style Ale has a light malt body and soft malt sweetness to balance the flavors imparted by hedgehog mushrooms. The fruitiness of the mushrooms is accent by earthy characters and plays well off of the Belgian yeast strain.

Founders Brewing Company is a true manufacturing brewery and an experience unlike any other. Founders prides itself on an over-indulged style of brewing that has recently awarded them the 4th highest rated brewery in the world. We focus on beers with extreme flavor profiles, and a variety of offerings can be found throughout the Midwest at various bars, restaurants, and retail outlets. Founders' home is Grand Rapids, and in the past twelve years the brewery has become the pride of the community's brewing tradition.

**DIRTY BASTARD:**
Style: Scotch Ale / Wee Heavy.
O.G.: 19.0. IBU: 42.0. ABV: 4.7. So good it's almost wrong. Dark ruby in color and brewed with seven varieties of imported malts. Complex in finish, with hints of smoke and peat, paired with a malty richness and right hook of hop power to give it the bad attitude that a beer named Dirty Bastard has to live up to. Ain't for the wee lads.

**PORTER:**
Style: American Porter.
O.G.: 17.0. IBU: 45.0. ABV: 6.5. Pours silky black with a creamy tan head. The nose is sweet with strong chocolate and caramel malt presence. No absence of hops gives Founders' robust porter the full flavor you deserve and expect. Don't be soft. It's a lover, not a fighter.

**CENTENNIAL IPA:**
Style: American IPA.
O.G.: 16.0. IBU: 65.0. ABV: 7.2. Get ready to bask in the glory of the frothy head's floral bouquet. Relish the citrus accents from the abundance of dry-hopping. This one's sweet, yet balanced. Malty undertones shake hands with the hop character for a finish that never turns too bitter. (Year-round)

**ALL DAY IPA:**
Style: American IPA.
O.G.: 10.0. IBU: 42.0. ABV: 4.7. The beer you've been waiting for. Keeps your taste satisfied while keeping your senses sharp. An all day IPA naturally brewed with a complex array of malts, grains, and hops. Balanced for optimal aromatics and a clean finish. The perfect reward for an honest day's work and the ultimate companion for celebrating life's simple pleasures.

**PALE ALE:**
Style: American Pale Ale.  
O.G.: 35.0. IBU: 5.4. SRM: 12.0. A testament to Cascade hops in a bottle, this medium-bodied pale ale has a refreshing citrus flavor and a distinctive floral hop aroma due to the aggressive addition of hops during fermentation. You’ll notice a slight malty sweetness with a balanced hop finish. Perfect to enjoy anytime, anywhere.

**RUBAEUS:**
IBU: 15.0. ABV: 5.7. SRM: 17.0. Not another boring summer wheat beer of lemonade shandy - Rubaeus is Founders' way to celebrate the season's warmest months. Optimizing the flavor of fresh raspberries added at multiple stages during fermentation, this stunning berry red masterpiece is the perfect balance of sweet and tart. No question about it, with a hefty malt bill and 5.7% ABV, this beer is 100% Founders.

**BACKWOODS:**
IBU: 50.0. ABV: 10.2. SRM: 20.0. Expect lovely, warm smells of single malt scotch, oaky bourbon barrels, smoke, sweet caramel and roasted malts, a bit of earthy spice, and a scintilla of dark fruit. It's a kick-back sipper made to excite the palate. 

**KB'S:**
Style: American Double / Imperial Stout.
O.G.: 22.0. IBU: 70.0. ABV: 11.2. Style: Bourbon barrel-aged Imperial IPA. A bit of backwoods pleasure without the banjo. This Imperial Stout is brewed with a hint of coffee, oats and spices then aged in oak bourbon barrels for an entire year. Our process ensures that strong bourbon undertones come through in the finish in every batch we brew. We recommend decanting at room temperature and best enjoyed in a brandy snifter. (Specialty)

**DOOM:**
Style: American Double / Imperial IPA.  
O.G.: 22.0. IBU: 68.0. ABV: 10.0. Doom is unleashed when Founders' award-winning specialty Imperial IPA, Double Trouble, is aged in bourbon barrels for four months to create a distinct flavor experience. So, while Double Trouble is brewed to turn your world upside down, Doom is brewed to tear it apart: pungent hops conspire with boozy bourbon notes to send your senses spinning. Known as “Hand of Doom” when originally brewed for our taproom, this 10% ABV beer is a unique addition to our barrel-aged repertoire, which has mostly consisted of malt-forward beers such as Backwoods Bastard and Kentucky Breakfast Stout.

**MANGO MAGNIFICO:**
ABV: 10.0. Mango Magnifico on Calor (Magnificent Mango with Heat) is a never before released, high-gravity fruit beer brewed with mango and a touch of Michigan-grown habaneros. Not a traditional fruit beer, the delicate tropical fruit in Mango Magnifico is punctuated by a hint of heat, increasing the overall depth of flavor and adding another level of complexity. A refreshing drink for the warm summer months.

**IMPERIAL STOUT:**
Style: American Double / Imperial Stout.  
O.G.: 24.0. IBU: 90.0. ABV: 10.5. Brewed with ten varieties of malted barley, this stout is as smooth as silk, yet complex and rich in body. (Specialty)

4257 N. Lincoln Ave., Chicago, IL 60618 | 773-248-4038

Half Acre Beer Company began in 2006 with no experience and loads of optimism. Humble beginnings and no brewery landed us on the doorstep of the Sand Creek Brewing Company in Black River Falls, Wisconsin. With a 20 bbl brewhouse and plenty of tanks, Sand Creek was able to help us get our first batches going, and by August of 2007 we were brewing in Wisconsin, and trucking our beer back to Chicago for sale in the bars that would take us. After about a year, our understanding had grown, and we gathered up our ambition to build a unique brewery in Chicago. We worked out a deal with the Ska Brewing Company in Durango, Colorado to buy all their old gear, signed a lease on our dream, neighborhood brewery space, and off we went to Colorado to dismantle a brewery. In about a week’s time, we had loaded four tractor trailers worth of stainless steel, and were ready to head back home to build our brewery. October of 2008 was when we began our build-out, and by February of 2009, after countless hours of hard work, community approvals, zoning changes, moratorium lifts, permitting and inspections, we found ourselves with the exact scenario we had hoped to create: a production brewery, taproom, and brewery store located smack-dab in the middle of one of Chicago’s great neighborhoods, where beer could be brewed, packaged, and taken into the world either by the truckload or by the growler fill. Since then, we’ve come a long way and have had the chance to expand our skills and grow our brewing company. On August 10, 2011 we purchased our building and cemented our place in the mix of it all. At Half Acre Beer Company, we brew beers we want to see made, enjoy ourselves as much as possible, and encourage the interesting experiences this ride has to offer. Half Acre is a reflection of those that keep it alive, the people that hoist the beer and the places where its found.

House of Brews began brewing early August of 2010 on repurposed dairy equipment producing 10 barrel batches. They have also started Wisconsin's first “Community Supported Brewery” programs. Just like those in agriculture, subscribers get a weekly allotment of beer and will also have input into what is brewed. House of Brews is also currently working/collaborating on “custom” beers for various customers in Madison. Page's vision is to be unique in terms of brewing a variety of beers and in by inviting customers and CSB subscribers to participate in the process. There is also brew-on-premises equipment waiting to be put to use in the near future.

DRIPA (DOUBLE RICE IPA): Style: American Double / Imperial IPA. ABV: 9.5. DRIPA
won a Gold Medal in the IPA category at the 2012 World Beer Cup, the biggest
commercial beer competition in the world. Huge citrus hop character in the aroma is

time consuming cereal decoction mash using American long-grain rice.

beer that started it all and remains a fan favorite to this day. Golden in color with a

Named after the original “pirate” radio station in Madison.

**KISS THE LIPS:** Style: American IPA. O.G.: 1.06. IBU: 31.0. ABV: 6.0. An Old School version of an IPA. Still balanced; not a “one tricky pony” pale. Named after the country song “It’s hard to kiss the lips at night that chew your ass out all day long”.

Lakefront Brewery started in 1987 and has grown to be one of the largest craft breweries in the state of Wisconsin. The brewery is known for its innovative ales and lagers, as well as its quirky tours. Lakefront’s pioneering spirit created many U.S. brewing industry firsts; among these, the first certified organic brewery, producing the country’s oldest certified organic beer (Organic E.S.B.), the first government certified gluten-free beer (New Grist), and the first beer made from all-Wisconsin ingredients since Prohibition (Local Acre lager). Lakefront Brewery’s line-up consists of twenty-four hand-crafted beers and is presently distributed to 35 states and three countries.

MY TURN SERIES: CHAD: Style: American Barleywine. O.G.: 53.0. IBU: 25.0. ABV: 12.5. Chad made a Barley Wine. Chad’s beer is a ramped-up barley wine style ale: rich, malty, multi-layered, and amber-copper. The off-white head liberates aromas of strawberry, dried-fruit, green herb, currant, and papaya. The smooth, malt-forward flavor is equally complex, with undertones of caramel and toffee. Not overly sweet by any means—much like its namesake—organic Bravo hops balance the malt syrup sweetness, Chad’s beer finishes slightly spicy with a pleasurable alcohol warmth. Chad says, “This is a barley wine for a brownie!”

MY TURN SERIES: CHRIS: Style: American Barleywine. O.G.: 20.0. IBU: 25.0. ABV: 8.0. Chris made a Maple Vanilla Doppelbock. This one pours dark caramel with a creamy head. Malty and full-bodied, sweet biscuit, maple, and mild vanilla aromas emanate from the glass. Roasty malt and maple syrup flavors arrive first, with vanilla and mild lager yeast ester fruitiness eventually making a showing. If you like flavor, this one’s got it in spades.

Farm Girl Saison: Style: Saison / Farmhouse Ale. IBU: 30.0. ABV: 6.0. SRM: 5.0. One of the owners wives requested an easy drinking session beer that could be enjoyed year round and the name is attributed to her “Farm Girl” heritage as well as the heritage of the style. This pale golden, Belgian-influenced ale is for everyone: Farm Girl, wannabe Farm Girl. In the Belgian Farmhouse tradition, this brew has a dry malt finish and a spiciness that only Belgian yeasts can create. Smooth and well rounded... this one can please anyone in any situation, whether you are on the water, in the sun, or hiding from winter’s chill. Available year round.

Crosscut Pale Ale: Style: American Pale Ale. IBU: 55.0. ABV: 5.5. SRM: 13.0. Crosscut is method for cutting lumber and harkens back to Stillwater’s ancestry during the lumbering days. Well-balanced amber pale ale accentuated by multiple additions of floral Cascade hops and our unique introduction of grapefruit zest to complement the citrus notes of the hops. Available year round.

910 Hudson Road, Menomonie, WI, 54751 | 715-233-2055
Established 2010. Meet Lucette... Lucette is hand-crafted by guys and brought to life by the artistry of a woman. Don't be offended or embarrassed by her voluptuous curves or stunning assets--she isn't. Lucette is an image of revolution and evolution, much like experiencing a non-macro beer for the first time. And what's more, she is created from the finest ingredients by the hands of our own brewers, at our own brewery, and not by some mysterious brewery far away from "home." In other words, she is not fake, diluted, or overproduced--she is 100% Lucette.

RIDE AGAIN: Style: American Pale Ale. O.G.: 13.0. IBU: 33.0. ABV: 5.2. Ride Again has a bright, wonderful hop aroma that has scents of pine, citrus fruits, and grapefruit. This beer has a very clean malt character with upfront hop bitterness and flavor.

FRENCH CONNECTION: Style: Bière de Garde. O.G.: 17.0. IBU: 22.0. ABV: 7.2. A "keeping beer" traditionally brewed in the northern region of France in farmhouses during the spring to avoid the unpredictability of the summer production season. This beer has a prominent malty sweet aroma accentuated by subtlecascade notes with earthy connotations from the yeast. Expect this beer to have a medium body with a silky smoothmouthfeel that finishes dry.

DOUBBLE DAWN BELGIAN-STYLE IMPERIAL ALE: IBU: 25.0. ABV: 8.5. At 8.5% ABV, this special Belgian yeast strain will lend complex fruit, spice, and earthy aromas. Double Dawn's flavor is bready with a lot of flavorful yeast characteristics, finishing slightly dry. Expect nice alcohol warmth from the higher ABV, supported by a wonderful high carbonation typical of the style.

HIPS DON'T LIE BAVARIAN-STYLE WEISSBIER: O.G.: 15.0. IBU: 200. ABV: 6.2. Hips Don't Lie is a slightly bigger interpretation of a traditional German wheat beer featuring a refreshing light body with a crisp, dry finish. A high proportion of malted wheat lends a round, pasta-like character that is complemented by a delicate balance of clove-like phenolics, banana esters and just a hint of sulfur from the classic German weissbier yeast strain. Rose hips give this beer a subtle floral note while the clover honey lends to the dryness in the finish. Hips Don't Lie is big enough to be full-flavored but refreshing enough to warrant another taste.

GABF (Vienna Lager) medals in 2003, 04, 05, 06. A 14-time award winning brew!

Our version of this classic style is a wonderful spicy brew, infused with orange peel and a hint coriander. It has a crisp refreshing flavor, and a slight ‘white’ haze from the large percentage of wheat used in the mash. 2011 Silver Medal - Los Angeles International Commercial Beer Competition & 2011 Gold Medal - Denver International Beer Competition. A 7-time national award winning brew!

IOWA PALE ALE: Style: American Pale Ale. O.G.: 15.2. IBU: 29.0. ABV: 5.7. It has enough bitterness to match the maltiness provided by the pale malt base. It gets its citrus zing from extensive dry-hopping with Cascade hops. This beer was first made in a few small test batches in 2003. The response was so incredibly positive, that it has worked its way into a year round beer and is one of our best sellers. A hoppy IPA made right here in the Midwest...how exciting!

HEFeweissen: Style: American Double / Imperial IPA. O.G.: 14.2. IBU: 32.0. ABV: 4.7. Our German-style Hefeweizen is quite sweet and fruity, with a full body. Other flavors that can be savored are banana and cloves. This is our current summer brew.

OLD TIME ROOT BEER: Style: Root beer. This root beer will take you back to the soda fountain days with its rich full flavor with just a hint of vanilla. Very highly ranked by self proclaimed Root Beer connoisseurs.
Milwaukee Brewing Company was founded on principles of crafting and creating beers using the best local ingredients and suppliers in a sustainable, creative and innovative environment. Milwaukee Brewing Company started as Milwaukee Ale House, a brewpub with a custom 15bbl brewery. Founder Jim McCabe applied engineering experience and home brewing momentum to design a very functional and robust brewery, built by W.M. Sprinkman in Franklinville Wisconsin. The first beer was produced in October, 1997 at a time when Milwaukee was a still a lager town. Over a decade of producing a rotation of year-round Ales and over 300 unique seasonal flavors at the Ale House established a fan base of craft drinkers that understood the effort. Adding to the momentum is a new generation of craft beer lovers that are very knowledgeable and just as passionate as the Milwaukee Brewing Company brewery scoundrels.

**O-Gii IMPERIAL WIT:** Style: Witbier. O.G.: 19.5. IBU: 25.0. ABV: 9.2. Everything you are looking for in a Belgian Wit beer, orange peel, coriander, fresh cut ginger. Then we take it a step further and infuse with a blend of Rishi Green Tea. Created by our own Kurt Mayes, O-Gii is a collaboration with Milwaukee’s own Rishi Tea, infusing Asian character to this monster wheat beer. The name is a nod to the brewing abbreviation for Original Gravity. Enjoy this monster fusion of balance and aggression.

**DOPPELVISION BOURBON BARREL AGED DOPPELBock:** Style: Doppelbock. O.G.: 17.5. IBU: 30.0. ABV: 8.5. This past December, with the new 2013 MBC release schedule looming, we were facing a number of challenges. One of them was how we develop new brands for future brewing seasons and get real time feedback from our customers. We were also trying to develop beers that age well in oak Bourbon barrels. Lastly, we really wanted to make a tasty Bock Beer for the Spring Bock season. Brewer Brian Blazel took on this task with a passion and the end results show it. Our Doppelvision Doppelbock is a sweet malt forward lager, with subtle hints of vanilla, coconut, and bourbon from its 1 month of maturation in Bourbon barrels. Ten varieties of malt come together to produce a smooth drinkable beer with notes of coffee, toffee, and caramel. Noble German hops help balance the malt character with a hint of spice.

**LOUIE’S RESURRECTION:** Style: American Amber / Red Ale. O.G.: 18.0. IBU: 30.0. ABV: 7.5. In 2009 we had an idea to make a bigger version of our Louie’s Demise Amber Ale. What makes Louie’s Resurrection unique is the 2 months of aging in Bourbon Barrels. Louie’s Resurrection has a copper amber hue with a balance apricot and malt aroma. Caramel, Bourbon, vanilla and some roasted malt flavor abound. This takes our flagship amber ale we have been brewing for 15 years and cranks it up to 11 on the dial.

**BLACK IRON:** Style: American Black Ale. O.G.: 17.5. IBU: 48.0. ABV: 7.5. The India Black Ale is such a new style that we really don’t have a lot to compare it to. Dehusked German malt gives it a black and silky look without the bitter roastiness you find in other dark beers. A variety of Cascade and Columbus hops are used to balance out this large malt bill. The intense coffee and chocolate aromas are in beautiful balance with the citrus and pine aromas of the hops for a wonderfully soothing but robust beer.

**DOUBLE IPA:** Style: American Double / Imperial IPA. ABV: 9.5. You will find this Double IPA full of hop presence yet perfectly balanced with the presence of malt that lends to a surprisingly smooth and satisfying beer.

**BOOYAH:** Style: Saison / Farmhouse Ale. O.G.: 14.5. IBU: 20.0. ABV: 6.5. We love Wisconsin. Our history and culture were the inspiration for naming this Belgian Farmhouse Ale. A cultural staple in the Green Bay area, Booyah, is a traditional stew recipe cooked in a 55 gallon drum over a fire all day long. An “everything but the kitchen sink” mentality is the basis for the recipe and this brew is a great companion to cooking up this Northern Wisconsin tradition. A Belgian farmhouse ale is somewhat of a kitchen sink recipe as well as well as with rye, barley, oats and wheat all contributing to the malt bill. We use a Saison ale strain to give this beer its distinctive fruity esters. An exceptionally refreshing beer for a Booyah party or any gathering.

**BAZEL:** Style: Belgian IPA. O.G.: 18.4. IBU: 65.0. ABV: 7.7. Brewed with Columbus, Cascade, Fuggle and Bravo hops this IPA is balanced out by the addition of oats to the mash. The oats not only add an unexpected sweetness, but a heavier mouthfeel. A spicy citrus and grapefruit aroma welcomes you in to a surprisingly sessionable IPA that has an exciting mix of malt and hops. This beer is quickly becoming a favorite of our year round portfolio.

BACKYARD RUSTIC: Style: Saison / Farmhouse Ale. O.G.: 14.3. IBU: 23.0. ABV: 6.7. Brewed in the tradition of a classic Belgian Saison with addition of malted rye. Flavor notes consist of white pepper, pineapple, and plum with a dry finish. In the tradition of the classic Minnesota backyard harvest, we aged this beer with rhubarb and strawberries.

SAAZ PILZ: Style: German Pilsner. O.G.: 13.1. IBU: 25.0. German style pilsner made with the finest floor malted and classic hops from just across the border in the Czech Republic. Sweet malt flavors preserve with slight spicy notes from the hops. Crisp, clean finish.

THUNDERSTORM: Style: Imperial Stout. O.G.: 14.2. IBU: 41.0. ABV: 5.1. German style pilsner made with the finest floor malted and classic hops from just across the border in the Czech Republic. Sweet malt flavors preserve with slight spicy notes from the hops. Crisp, clean finish.

CALYPSO PALE ALE: Style: American Pale Ale. O.G.: 13.6. IBU: 67.0. ABV: 5.6. Another in our series of "single hopped" pale ales. This beer is malted appropriately for the generous use of the relatively new hop variety Calypso. A name like that makes you expect tropical flavors and aroma from this hop. Those flavors are there while mixing with profiles that make feel like you are in the Northern Pines. Great hop, fun beer!

RUSSIAN ROULETTE: Style: Russian Imperial Stout. O.G.: 66.0. IBU: 9.3. Russian style Imperial Stout brewed with dark Belgian chocolate. Great roasted chocolate and deep red berry flavors from the beer mix splendidly with similar flavor notes in the great chocolate used to create this beer. We know it’s hot, don’t miss this dark dessert beer.

New Holland Brewing Company’s deep roots in the craft industry go back to 1997. Our role as an integral member of the artisan approach is something we take seriously, yet engage lightheartedly. We believe the art of craft lives in fostering rich experiences for our customers, through creating authentic beer, spirits and food while providing great service. New Holland brews and distills at two locations in Holland, Michigan: our production facility on the north side of downtown Holland Pub & Restaurant in downtown Holland. The restaurant welcomes guests seven days a week and production tours are on Saturday afternoons. We welcome visitors and locals alike, and appreciate the opportunity to share our artisan approach through warm hospitality and enriching education. With just under 150 employees, New Holland Brewing Co. sells its beer and spirits across a growing regional landscape, while anchored in the upper midwest. In 2012, our production facility underwent substantial development including the tripling of our brewing capacity through outdoor fermentation, the addition of a centrifuge and the expansion of our Dragon’s Milk cellar. In 2013, the company is expanding its distilling capabilities, renovating the downtown Holland Pub & Restaurant and focusing on the integration of Michigan agriculture; hops, wheat and barley, into several new and existing brands.

RITTER: Style: German Pilsner. O.G.: 12.8. IBU: 400. ABV: 4.5. A traditional German style pilsner utilizing 100% German malt and hops.

Established 2007. Northwoods Brewpub and Grill brought the fine tradition of craft brewing to Eau Claire. Now the first microbrewery in west central Wisconsin is the place to be! It’s all woody and warm in our lodge-like bar. Hang out with friends, shoot pool for free, or melt into the comfy chairs in the lounge. Whether you want to let loose, play trivia, or have an intimate conversation there’s a spot waiting for you. Did we mention the 28 tap beers? Your thirst stops here. Enjoy handcrafted ales, Norske Nook pies, and the legendary Walter’s Beer.

FloPPin’ CraPPie:
Style: English Pale Mild Ale. IBU: 25.0. ABV: 5.0. A Biker Beer! Voted best beer at Sturgis Brewfest 2004. Brewed with Caramel, Black and 2 row Pale Malt and Fuggle hops. It has a caramel malt sweetness, low hop bitterness and aroma. A pub favorite. This is an English Mild that is reddish brown in color.

lil’ BANDIT BROWN ale:
Style: English Brown Ale. IBU: 25.0. ABV: 4.5. Our silver medal winner at the Great American Brewfest in Denver, Colorado! This is an English Brown Ale. Brewed with Caramel, Chocolate, Black and 2 Row Malts it gives this ale a light chocolate and roasted flavor. Fuggle hops contribute a low hop bitterness and aroma.

WALTER’S Beer:
Style: Light Lager. IBU: 20.0. ABV: 4.0. It’s back and it’s here! Brewed by the Walters Brewing Company for over 100 years we decided to bring this classic lager back. This is an all malt lager aged for 40 days at near freezing temperatures to smooth out the flavors and the saaz hop bitterness and aroma. The beer that is beer is back.

WALL-IPA:
Style: American IPA. IBU: 40.0. ABV: 5.5. An American style India Pale Ale. This beer is highly hopped. It is brewed with Munich, Caramel, and Breiss 2 Row Pale Malt that gives this ale a bready, caramel malt character with fruity, citrusy cascade hop flavors. Crisp, bitter finish.

We’d like to raise a glass to the MHTG for another medal-worthy Great Taste of the Midwest. Cheers!

Brewer/Owner: Brian Owens
www.ofallonbrewery.com
26 West Industrial Dr, O'Fallon, MO, 63366 | 636-474-2337

Founded in 2000, the O'Fallon Brewery produced and sold 6,000 barrels in 2011 and expects continued growth in 2012. O'Fallon brews five everyday beers: O'Fallon 5-Day IPA, O'Fallon WeeCh, O'Fallon Hemp Rye, O'Fallon Smoked Porter (2004 GABF® Gold Medal in the smoked beer category) and O'Fallon Gold. O'Fallon is also known for its seasonal beers, including O'Fallon Pumpkin, O'Fallon Cherry Chocolate and O'Fallon Black Hemp.

Kite Tail: Style: Cream Ale. IBU: 10.0. ABV: 4.5. Light-bodied and refreshing this beer is based on the Cream Ale style...an original American beer modeled after the light lagers of its time. A subtle tartness adds to the crisp finish of the beer and makes for a great summer quencher.

WeeCh: Style: Fruit / Vegetable Beer. IBU: 7.0. ABV: 5.1. O'Fallon WeeCh is one of our biggest success stories. We take our award-winning American Hefeweizen and add a touch of peach for a re-freshing, crisp, very drinkable beer. Reach for a WeeCh!

5-Day IPA: Style: American IPA. IBU: 66.0. ABV: 6.1. You have to taste this dry-hopped beer! It's an American Style India Pale Ale brewed with seven grains and three domestic hop varieties. We call it “5-Day IPA” because we add hops after fermentation and the beer sits for an extra five days with this additional hopping. The result is a beautiful pale ale with malty sweetness up front and big Cascade hops in the finish—a wonderfully drinkable IPA!

Rager Red: Style: American Amber / Red Ale. Try this medium-bodied red ale, a malty brew with hints of caramel and toasted bread. It's smooth and balanced, with a subtle earthy and spicy flavor and aroma from the hops and peated smoked malt. It's the perfect beer to transition from the heavy dark beers of winter to the lighter more quaffable beers of summer.

Established 2007. O'So is currently undergoing an expansion that will bring its production to around 5000bbls for 2012. Yeh, yeh, i know we said that last year, but financing was pretty hard to get. We found a used 30bbl brewhouse and a bunch of used fermenters and now are ready to do some serious brewing. Little old Plover will still be our home but our beer lineup will certainly expand. Keep an eye out for us in the next few years... some seriously exciting things are on the horizon!

Karloffel Bock™: Style: American Amber / Red Ale. OG: 1.08. IBU: 41.0. ABV: 8.3. A decoction mashed Maibock brewed with 17% local potatoes for the Beer Geeks T.V. Show airing late summer or early this fall.

Lupulin Maximus™: Style: American Double / Imperial IPA. OG: 1.086. IBU: 74.0. ABV: 8.9. The second you open this bottle there is no mistaking that this is not your average IPA. Massive hop additions of the most obnoxious breeds put this taste bud burner in a league all its own. Our bet is that you will think it is O'So Freakishly good!

Odd Side Ales, one of the fastest growing breweries in Michigan. Born in an old piano factory in downtown Grand Haven, Michigan, Odd Side Ales first opened its doors in March 2010. We’ve grown steadily since that first brew, but have never lost sight of our initial goal: to create a variety of complex beers, each with its own unique flavor.

Bean Flicker: Coffee Blonde Ale—Looks deceiving—A light coffee and chocolate notes with gentle grains.

Mayan Mocha Stout: Inspired by Mexican hot chocolate, this smooth stout will keep you coming back for more! It is carefully blended with Dutch chocolate coffee, cinnamon, nutmeg, and habaneros which will leave you with the perfect balance of chocolate and heat.

Citra Pale Ale: This light and crisp ale is sure to capture your taste buds. Not quite a pale ale not quite an IPA. This is our flagship beer which is brewed exclusively with citrus hops. The aroma is an intoxicating bouquet of grapefruit, tropical fruit, lemon, and pine.

Firefly: The blend of papaya and a small dose of habaneros provide an ideal mixture of spicy and sweet.

O’Hoppy Ale IPA: Style: American IPA. O.G.: 16.0. IBU: 70.0. ABV: 7.0. An American India Pale Ale, this fine brew is a hop head’s delight! Wonderfully hoppy aromas are noticed first, followed by a rich, slightly fruity mouth feel and then finished with a sophisticated hop bitterness. This one’s not for the timid!

Steel Valley Stout: Style: American Stout. O.G.: 14.5. IBU: 35.0. ABV: 6.2. Silver Medal Winner at 2011 International Beer Fest at the the Cleveland IX Center. Old Bavarian Beer Co. | 320
523 West College Ave, Appleton, WI, 54911
The Old Bavarian Beer Co. was established in 2009 to bring locally produced authentic German style beers to northwest Wisconsin. All our beers are produced using only the finest imported German barley and hops and traditional brewing methods for a truly authentic German flavor. These beers are produced at the Fox River Brewing Company under the supervision of Old Bavarian’s master "bierbrauer."

Munich Lager: Style: Munich Helles Lager. O.G.: 1.05. IBU: 21.0. ABV: 5.1. This Bavarian pale (helles) lager is a malt accentuated beer that is not overly sweet, but is rather focused on malt flavor with an underlying hop bitterness for a smooth balanced profile. This style of beer was created in Munich in 1895 at the Spaten brewery to compete with Pilsner style beers.

Kloster Bock: Style: Maibock / Helles Bock. O.G.: 1.075. IBU: 30.0. ABV: 7.4. Our Maibock or Helles bock is a "masterpiece" of malt and hops. It’s a deep golden color with a thick creamy head and a strong and malty aroma. Our version is more aggressively hopped than others Maibocks for a refreshing but balanced finish.

“TannJanator” Doppelbock: Style: Doppelbock. O.G.: 1.076. IBU: 250.0. ABV: 7.2. This is a very strong rich and malty full-bodied beer that has a caramel nutty/chocolate flavor for complexity. Like many other versions of doppelbock, our version also has a name ending in “ator” in tribute to our owners wife and business partner.

Olde Peninsula Brewpub is located in downtown Kalamazoo, MI and was opened on St. Patrick’s Day 1996 making us Kalamazoo’s first Brewpub. We have a full food menu in addition to six year-round beers plus seasonal specialties that vary throughout the year. Additional beers available at our table.

ROCKIN’ RAZBERRY WHEAT: 5.5% ABV, Style: American Flavored Wheat Beer. Made with American malted 2-row barley and malted red wheat. This beer has a nice hint of raspberry which gives it great drinkability. It is not sweet, syrupy, nor wine-like. It goes well blended with our Stout Chocola for a nice raspberry/chocolate black and tan.

OP IPA: 6.75% ABV, 60 IBU, Style: American IPA. This is brewed to be an everyday of the year IPA that emphasizes flavor and aroma more than gratuitous bitterness. It is robustly balanced and has a unique hop character and a mild malt profile due in large part to the addition of 20% Wheat. It is balanced by a strong American hop structure. A generous dry hopping lends a pleasant floral and citrus aroma and taste to this popular mainstay on our menu.

SUMMER HEFEWEIZEN: 5.25% ABV, Style: German Hefeweizen. Made with 100% German malt, malted barley, hops, and yeast. A German Hefeweizen focused on subtle and balanced traditional German Hefeweizen flavors. While there are the expected clove, banana, and even bubble gum flavors, none of them dominate this delicately delicious rendition of the German favorite.

ALSTERWASSER: (pronounced Ulstuh-vasser) 4.75% ABV. Alsterwasser is a Radler made with Hefeweizen and lemonade – a German version of a Shandy. This is a perfect session beer on a hot summer day and goes well blended with our Stout Chocola for a nice raspberry/chocolate black and tan.

AGED IPA DOBLE DEL DIABLO EL SEGUNDO (DEVIL’S DOUBLE IPA THE SECOND): 11.0% ABV. Spicy hop aromas and clean herb-like earthy bitterness accentuate this menacing brew. This beer was brewed to be ultra balanced and smooth, the hops used were picked for their lack of citrus, pine, and catty flavors/ aromas. A truly unique and quaffable high gravity brew. This aged version drinks like a hoppy barley wine and is too smooth!

DOPPLEDUNKEL WEIZENBOCK: 7.0% ABV, Style: German Weizenbock. A dark wheat beer similar to OP Dunkelweizen but taken to the next level. This beer has many of the same characteristics as Hefeweizen, but is darker and much stronger. Its dryness still allows this beer to be refreshing even on a hot day and is a not-to-be-missed classic German beer style.

One Barrel Brewing Company is rooted in historic brewing lore. Founded during the 377th annual meeting of the Gentleman’s Brewing and Distilling Society, it was decreed that OBBC would showcase how approachable making and drinking all manner of beer can be.

PENGUIN PALE ALE: Style: American Pale Ale. IBU: 40.0. ABV: 5.7. A good example of the American twist on the English classic. It is more of a deep bronze than pale gold, as is common for the style, and has a unique malt profile due in large part to the addition of 20% Wheat malt. It is balanced by a strong American hop structure. A generous dry hopping lends a pleasant floral and citrus aroma and taste to this popular mainstay on our menu.

#2 STRONG ALE: Style: Belgian Strong Dark Ale. IBU: 24.0. ABV: 10.0. The Brew Master entered his home brewed version of this OBBC favorite in the US Beer Tasting Championships in 2010 and came home a winner. It is as delicious as it is unique, a dark amber color with a heavy clove nose and a deep, sweet flavor and finish. We use dark Belgian candy sugar to kick up the alcohol and balance out the assertive Belgian strong ale yeast flavors.

BEETLEJUICE! BEETLEJUICE! BEETLEJUICE!: Style: Fruit / Vegetable Beer. IBU: 37.0. ABV: 6.1. Brewed special for the Great Taste, this beer is brewed with beets from the brewer’s garden! It is rooted in the style of an APA, although it uses 40% wheat malt. It has a fruity hop character and a mildly pleasant and earthy beet flavor. This beer is truly an ode to all great Midwestern things; hard work, the family farm, good beer, and home-grown beets...not necessarily in that order.

BILBO BAGGINS: Style: American IPA. IBU: 69.0. ABV: 6.2. This style has become a recent American craze so we had to try our hand at one. It is black in color but very smooth and does not have a bitter malt flavor found in many stouts and porters. Then we hop the holy hell out of it, including a dry hop addition that gives it a strong citrus aroma and vibrant hop flavor resulting in a well-balanced black ale.

Established in 2009, Peace Tree Brewing Co is a small production microbrewery in Knoxville IA. It was started in a refurbished building and acquired its name from a local historic landmark the “Peace Tree”. The brewery taproom opened up in late 2009 and started serving the full flavored beer being brewed in small batches by brewmaster Joe Kesteloot. In March of 2010 the full packaging brewery opened and Peace Tree Brewery began to package the flagship beers that are now it’s staples. Since then the brewery has expanded to eight bottled beers a number of seasonal beers and even a Cider. But Peace Tree still stays true to their small batch roots and continues to put out interesting and experimental beers on a regular basis.

BRETT CORNUCOPIA: Style: Saison / Farmhouse Ale. ABV: 7.5. Saison farmhouse ale brewed with local Iowa sweet corn, mildly hopped and fermented with a Belgium saison yeast. Then aged in an oak barrel for 2 years with Brettanomyces wild yeast.

SIXKICK KOLSCH style: Style: Kolsch. ABV: 5.0. This beer is brewed with pale malt barley, wearing the mask of a lager this cold fermented ale packs a walloping flavor of a nice clean crisp finish. We use a Kolsch style yeast and hop it ever so slightly to bring a nice bitterness to the beer. Kolsch is actually a beer brewed in Cologne, Germany which is why we use the word “style”.

BLONDE FATALE: Style: Belgian Strong Pale Ale. ABV: 8.5. This is an unfiltered Belgian Style Blonde Ale. The beer is blonde in color from the pale malted barley varieties. It is delicately hopped with Styrian Golding and Celeia for medium bitterness and aroma. Sugars are added for higher attenuation, the practices of some Belgian brewers. Belgian ale yeast is used to add complex flavor esters. This beer is unfiltered and yeast is left in for an additional conditioning. This beer is named Fatale because it is 8.5% ABV and will catch up with you if you’re not careful.

RED RAMBLER: Style: American Amber / Red Ale. ABV: 5.8. Since the brewery is located in what was once a Nash Rambler car dealership, it seemed appropriate to honor this history with a beer. The Red Rambler Ale is also one of the most popular in our taproom with its deep red color and malty flavor. The malt character is balanced with three varieties of hops. It is a versatile beer that can be enjoyed alone or pairs well with a broad spectrum of foods, especially flavorful meat, fish and cheese.

HOP WRANGLER: Style: Belgian IPA. IBU: 70.0. ABV: 6.25. Hop Wrangler is a multi-national take on the classic India Pale Ale, which is known for its intense hop bitterness, flavor and aroma. We use American, English and Belgian malts for flavor, body and color. This brew includes six hop additions of American and English hops, one each in the mash and first wort, three in the boil and finally a dry hop addition in the fermenter. It is finished with Belgian yeast which develops esters that complement the bouquet of hops.

FALCONERS IPA: Style: Belgian IPA. ABV: 5.5. A belgo IPA brewed with 100 percent Falconer’s Flight hops giving some citrus characteristics and bitter notes. Belgian yeast is used adding some fruity, spicy and bubble gum esters. More Falconers Flight hops are added in the dry hopping along with a healthy dose of Citra hops to add a fresh burst of hop flavor and aroma.

Pearl Street Brewery

1401 Saint Andrew Street, La Crosse, WI, 54603  |  608-784-4832

Established 1999. Pearl Street brewery began as a family owned operation down in a basement on La Crosse’s fabled Pearl Street. The tiny, underground brewery quickly started producing award-winning ales and lagers. After years of organic growth and expansion, the brewery is still family owned and operated but now resides in the infamous and historic La Crosse Rubber Mills building, located in La Crosse’s lower northside depot neighborhood. The Rubber Mills was well known for being the place where rubber boots for brewers and other tradesmen (and rubber horseshoes) had been made for over a century. Now, comfortable in their new home, the PSB crew carries on, using all natural and organic ingredients to brew their beers.

DTB BROWN ALE : Style: American Brown Ale. ABV: 5.5. This long-time La Crosse standard is brewed with seven malt varieties that create a complex, nutty flavor with roasted undertones. Hopped with both American and Brit hops. Gold Medal Winner at the World Beer Championships.

“THAT’S WHAT I’M TALKIN’ ‘BOUT” ORGANIC ROLLED OAT STOUT:
Style: Oatmeal Stout. ABV: 6.0. Check full o’ organic rolled oats, chocolate and black malts, and American and British hops, this is one full-flavored stout with a black body and creamy mocha head.
RUBBER MILLS PILS: Style: German Pilsener. ABV: 5.0. A passionate pilsner lager brewed with Wisconsin malt and German whole leaf hops. Yellow in color, with a crisp finish and fresh hop character throughout.

PEARL STREET PALE ALE: Style: American Pale Ale. ABV: 6.0. A full-bodied American Pale Ale and local favorite! This classic Pearl Street original has been brewed in La Crosse since 1999. It’s got a pleasant hop bitterness and is dry-hopped for a flowery nose.

EL HIEF BAVARIAN HefeWeizen: Style: Hefeweizen. ABV: 5.0. A Bavarian-style wheat beer brewed with American barley and wheat malts, fermented with Weihenstephan yeast for a subtle banana clove aroma typical of the style. Traditionally unfiltered and usually served with a wedge of lemon.

2:30 P.M. – 2103 rasPBerry taMBois: STYLE: Fruit / Vegetable Beer. ABV: 8.0. A tribute to our own, sometimes tart but always effervescent Tami, this tart and effervescent Belgian style Framboise is actually brewed with yeast and bacteria cultures found in the spontaneously fermented beers of the Lambic region of West Flanders. Aged on tons of locally-grown, fresh organic raspberries.

4:00 P.M. – ME, MYSELF, & iPa: STYLE: American IPA. IBU: 60.0. ABV: 6.5. Meet our newest addition to the Pearl Street family! Our first-ever IPA is brewed for the hop lover, with over two-and-a-half pounds of our favorite hops per barrel. Selected specifically because of their aromatic qualities, the hops contribute a pungent blend of grapefruit, tangerine, and floral notes. This IPA is not watered down with honey or other sugary adjuncts. This could be the most well-balanced IPA you’ve tried yet!

THE People’s Brewing Co. | 119
Owner/Brewmaster: Chris Johnson
www.peoplesbrew.com | sales@peoplesbrew.com
2006 North 9th St. Road, Lafayette, IN, 47904 | 765-714-2777

The People’s Brewing Company provides high quality hand-crafted beer and education of the craft beer industry to the people of Lafayette and the state of Indiana while providing community leadership with environmentally friendly business practices. We offer a taproom and tours of our facility. Our staff is fully trained on the brewing process, beer styles, and beer production. We encourage our customers to become educated on craft beers and local beer history. Founded in 2009 by brewer Chris Johnson, formerly head brewer at Lafayette Brewing Company, and Brett VanderPlaats. Making flavorful session “beer for the People!”

PEOPLE’S PILSNER: Style: German Pilsener. IBU: 42.0. ABV: 4.5. This beer is a twist on the Northern German style Pilsner, also known as Dortmunder or Export style Pilsner. These beers made use of hard water, like that of Lafayette, for that reason more malt was used and just enough hops to balance the beer. Rather than change the “locally raised water”, we have added some Caramalt to our Pilsner malt bill to give this beer some malt character. We’ve chosen Santium hops, which have a slightly spicy character, in a very simple hop schedule. The result is a clean finishing Pilsner beer, unique to the Lafayette area and our wonderful local water.

SGT. BRAVO PALE ALE: Style: American Pale Ale. IBU: 39.0. ABV: 4.8. American Style Pale Ale is a well-balanced beer with a sweet malt character balanced with floral and citrus hops. Brewed with American Pale Ale malt and a touch of Caramalt, this beer has a light-medium body and a rich golden color. We exclusively used whole cone Bravo hops in the Kettle and in our Hop Back to give this beer a bold hop aroma and mouthfeel. The perfect session ale for warm Hoosier days.

AMAZON PRINCESS IPA: Style: American IPA. IBU: 62.0. ABV: 6.2. American Style India Pale Ale. We used American base malt with a small addition of Crystal malt to give this beer an orange hue. Hopped exclusively with Simcoe Hops giving this beer a tropical flavor and aroma. Passion fruit and grapefruit dominate the flavor and aroma characters.

PEOPLE’S MR. BROWN: Style: American Brown Ale. IBU: 47.0. ABV: 7.0. American Style Brown Ale... “That’s Mr. Brown to you!” We used a lot of base malt and four different dark malts in this beer resulting in a complex malt character and a warming alcohol flavor. This is a great cold weather beer, warming and smooth to take away the chill. We balanced it with Kent Goldings hops.

SPACE COWBOY DOUBLE IPA: Style: American Double / Imperial IPA. IBU: 96.0. ABV: 9.0. American Style Double India Pale Ale with a huge citrus hop flavor. We used American base malt with a very small addition of Crystal malts to give this a light-golden hue. Additions of Summit, Galaxy, and 7C’s hops lend grapefruit flavors with hints of pine and pineapple. Space Cowboy IPA is extremely hoppy and higher in alcohol than a typical IPA. This is a limited small batch release.
The 9,200-square-foot brewery includes a dedicated, temperature-controlled fermentation and barrel-aging cellar. Perennial also has a 3,200-square-foot tasting room, as well as a beer garden, onsite. Perennial produces two flagship beers: Hommel Bier, a dry-hopped Belgian Pale Ale; and Saison de Lis, a Belgian farmhouse Ale brewed with chamomile flowers. Perennial’s “In Season” category utilizes locally sourced, seasonal ingredients. Some of these ingredients include: black walnuts in Black walnut dunkel, peaches in Peach Berliner Weiss, and cushion squash in Peace Offering. Perennial’s “The Cellar” category features several styles of beers that have the ability to be cellar aged, including high alcohol beers, spirits barrel-aged beers, and wild fermented ales.

HOPFENTEA: Style: Berliner Weissbier. O.G.: 9.0. IBU: 10.0. ABV: 4.5. Berliner Weisse steeped on tropical tea. This beer was brewed at Perennial in collaboration with The Hopleaf in Chicago. The custom tropical tea blend we steeped this beer with includes mango, papaya, hibiscus, rose hips, lemon grass, orange peel, and cinnamon. This beer will beat the heat.

BARLEY RYE: Style: Rye Beer. O.G.: 18.0. IBU: 40.0. ABV: 8.2. Rye Ale fermented on local blackberries. Another music-inspired beer, Barley Rye is the latest addition to the Perennial playlist. It’s very balanced, with notes of rye spiciness and blackberry juiciness - kind of like some of Barry's soul hits from the 70s.

BREW FOR THE CREW: Style: Märzen / Oktoberfest. O.G.: 13.0. IBU: 11.0. ABV: 5.6. Oktoberfest. This is a fairly traditional festbier brewed for our friends at the restaurant Farmhaus in St. Louis. Finishes crisp and dry with nice Munich maltiness and slight sulphur notes from the fermentation profile.

RECITAL: Style: Belgian IPA. O.G.: 18.0. IBU: 70.0. ABV: 8.5. Belgian IPA. Brewed in collaboration at Perennial with Deschutes Brewmaster, Brian Faivre. This is a really hoppy beer, clocking in at 3 lbs of hops per barrel. It is double dry hopped with Simcoe and Galaxy and has a dry, fruity finish from Unibroue's house strain.

Barrel-aged Abraxas: Style: American Double / Imperial Stout. O.G.: 30.0. IBU: 90.0. ABV: 13.0. Mexican Chocolate Stout aged in whiskey barrels. Abraxas is an Imperial Stout steeped on cacao nibs, ancho chilies, vanilla beans, and cinnamon. This base beer was aged in Rittenhouse Rye whiskey barrels for 14 months.

REAL ALE TENT

BARREL-AGED OUD BRUIN WITH TART CHERRIES: Style: Flanders Oud Bruin. O.G.: 13.0. IBU: 20.0. ABV: 5.5. This tart, Oud Bruin has been aging in wine barrels with several wild Belgian yeast strains for about a year. We added tart cherries from Michigan and racked off a cask.

Pigeon River Brewing Co. began on the shores of the Pigeon River in Marion, WI when high schoolers Nate Knaack and Brett Hintz put their heads together to try brewing beer.

Several years later, Nate attended UW-Platteville, where he met Matt Wichman as members of the campus Brew Club. Nate and Matt pooled together to purchase a 1 bbl brewing system and a few bulk tanks from local dairy farmers. Throughout college, they experimented, developed, and perfected recipes until they knew that they had arrived at a product which needed to be shared with the world.

In the fall of 2011, Nate and his wife Kayla purchased a former bar and restaurant to be converted into a brewery. Serendipitously O’So Brewing was in the process of expanding, so Nate and Matt jumped at the opportunity to purchase their 6 bbl brew system. Bring the story full circle, the pair hired Brett Hintz (the original brewer) as head brewer.

Wet Willie: This stout has very rich chocolate flavors with just a touch of roasted and coffee notes. It is full bodied and has just the right amount of caramel-like sweetness to balance the flavors. Pours smooth and goes down smooth. The best way to describe this beer is to fill up your cup and let your taste buds do the talking. Approx ABV: 6%

On Your Knees: Midnight Wheat: This dunkelweizen is brewed with roasted wheat malt which gives it a color that is comparable to the Wet Willie. But don’t judge this beer by color alone; it has the heart of a German wheat beer. Brewed with a wheat beer yeast and noble hops, this is a beverage best enjoyed by the liter in a German beer hall—but we’re sure this festival is a close second. Approx ABV: 5%

TOWNE: The lightest beer offered by Pigeon River, this American Blonde Ale is brewed to have a moderately malty clean flavor. Made with a combination of barley and corn and lightly hopped, this brew is the perfect complement to a summer afternoon. Expect a refreshing light beer that goes down easy! Approx ABV: 4.5%

Rusty Mussel: This Vienna Lager truly is a Pigeon River staple. Dark red in color and rich with malty flavors, this beer strikes the perfect balance between smooth and bold. This is a full bodied beer with a lot of caramel-like flavors and aromas that give way chocolate notes and a touch of rich smoothness on the finish. Approx ABV: 6.6%

Red IPA: Like a tight-rope walker, this beer takes flavor to new heights and balances it perfectly. This is an American version of the traditional English IPA using American varieties of hops. A careful addition of roasted malt gives this IPA a unique red color. Expect citrusy, piney, resinous, and fruity hop flavor and aroma that balances the sweet malty backbone behind it. Light toasted or biscuit flavors blend with caramel notes meld with the symphony of smooth happiness that is truly magical. Approx ABV: 6%
POTOSI BELGIAN TRIPEL: Style: Tripel. O.G.: 24.0. IBU: 25.0. ABV: 10.0. Potosi’s Belgian Tripel manages high alcohol content while simultaneously remaining fresh enough for summer sipping. The aroma and flavor are complex yet there is a sweetness from both the pale malts and the higher alcohol. The even balance of malts and hops hides most of the bitterness. All combined, some have said this beer has the flavor of strawberry shortcake. Belgian Tripel is a small batch special release, only available on tap for a limited time.

TANGERINE IPA: Style: American IPA. O.G.: 16.0. IBU: 70.0. ABV: 6.5. Potosi Tangerine IPA is an IPA blended with 100% tangerine juice. It has a pine taste but the addition of tangerine not only provides for a citrus aroma, it erases the bitterness from your palate. This unique brew has converted many a beer drinker to become avid IPA lovers. Tangerine IPA is a specialty beer, only available on tap throughout the year.

POTOSI BELGIAN IPA: Style: Belgian IPA. O.G.: 15.5. IBU: 70.0. ABV: 7.0. Potosi’s Belgian IPA is the child of American IPA hops and traditional Belgian yeast strains. This combination produces a cleaner bitterness and a pronounced dry edge. Belgian IPA is a developing style in Belgium and the US and is substantially more hoppy than the traditional Belgian beer. Belgian IPA is a small batch special release, only available on tap for a limited time.

POTOSI PILSENER: Style: Czech Pilsener. O.G.: 14.5. IBU: 27.0. ABV: 6.0. Czech Style Pilsener is a lager made the authentic ingredients; Saaz hops, Pilsener malt, Czech yeast. It’s a lighter bodied beer that is exceptionally easy to drink. It has mild to medium bitter flavor with a crisp finish. Available year round is bottles and on tap.

POTOSI HEFEWEIZEN: Style: Hefeweizen. O.G.: 15.5. IBU: 33.0. ABV: 5.5. Potosi Hefeweizen features 50% malted wheat and low hop presence. Because yeast is present, the beer will have yeast flavor, a characteristically fuller mouthfeel, and will be appropriately very cloudy.

REVOLUTION BREWING | 501

Brewmaster: James Cibak www.revbrew.com | info@revbrew.com

3340 N. Kedzie, Chicago, IL, 60618 | 773-588-2267

Established 2010. Revolution Brewing is Chicago’s hometown brewpub located in historic, yet hip, Logan Square. Our third year of business has been quite exciting with the opening of our second floor “Brewer’s Lounge” along with perfecting many of our traditional tasty ales, experimenting with bourbon and wine barrels and serving loads of bacon-fat popcorn, burgers, tempeh reubens and working with local farmers for some amazing seasonal pub grub. Owner Josh Deth and head brewer Jim Cibak worked together previously before launching the Revolution. Located inside an old print shop, our large brewpub features carved wooden fist , bourbon barrel staved walls, and ample room around the bar for pint in hand conversations. Free brewpub tours are offered every Saturday at noon. But, more excitingly and also in Chicago’s Logan
Square neighborhood, we opened our production brewery, which is located at 3340 N. Kedzie. The celebration began on May 25, 2012 when we christened our new “crib” by opening our doors and inviting 3500 of our closest friends and fans to the massive shindig that was our Grand Opening Party. From the bands, food trucks, barrel aged beer booth, merchandise, and excessive amount of beer that was flowing, you don’t have to take my word on how awesome the event was...just ask a fellow Revolutionary! That same week, we opened our Kedzie Brewery taproom, which is currently open Wednesdays through Saturdays from 2-10pm, and features exciting brewery tours at 6pm on each of those days. With 3 year-round can and 3 year-round 22oz. bomber offerings, as well as an array of seasonal and specialty brews, it’s not difficult to find us at your local bottle shop or grocer. Just keep an ear to the ground and your eyes on our website, www.revbrew.com!

ANTI-HERO: 6.5% ABV, Original Gravity = 17 °P, 70 IBUs. An American hop assault IPA that features a blend of four hop varieties; it creates a crisp bitterness and imparts massive floral and citrus aromas. It’s for all the ambivalent warriors who get the girl in the end. “Look, I ain’t in this for your revolution, and I’m not in it for you, Princess.”

OKTOBERFEST: 5.7% ABV, Original Gravity = 25 °P, 25 IBUs. A classic German-style Oktoberfest beer that goes down smooth with a pleasant, toasty malt flavor. Hallertauer Mittelfruh hops give the beer a crisp balanced bitterness and spicy/earthy aroma.

ROSA: 5.8% ABV, Original Gravity = 15 IBUs. A highly drinkable ale steeped with hibiscus flowers and a touch of orange peel for a natural tartness and slight pink hue.

A LITTLE CRAZY: 6.4% ABV, Original Gravity = 14.5 °P, 35 IBUs. A Belgian Pale Ale that is a Little Crazy! Pale Ale, Munich & Caramunich malts provide a nice, toasty flavor with hints of caramel. Belgian Wit yeast ferments this beer, contributing hints of spice and a slight tartness. Dry-hopped with Cascade and Citra hops to drive home the aromas of fresh citrus rind.

EUGENE: 6.8% ABV, Original Gravity = 28 IBUs. A striking, robust porter full of warmth and chocolate malt and is named after Eugene V. Debs, an American union leader and activist who led the Pullman railroad strike in 1894. An assortment of Belgian specialty malts for a complex structure of toasted grain and caramel flavors and Dark Chocolate malt makes this porter black as night and infuses its distinct intense, chocolate essence.

CROSS OF GOLD: 5.0% ABV, Original Gravity = 13.5 °P, 25 IBUs. A crisp golden ale with a delicate hop finish. This is our lightest ale and it is brewed with a bit of wheat malt for body and Munich and Aromatic malts for and undertone of honey-like sweetness. Lightly dry-hopped with Cascade hops for that classic American golden ale aroma. 2012 World Beer Cup Gold medal winner.

BOTTOM UP: 5.0% ABV, Original Gravity = 12.5 °P. 14 IBUs. Our interpretation of this classic and refreshing Belgian style Wit ale is brewed with organic pilsner and wheat malts from Canada. Freshly ground coriander and Curacao orange peel along with a special Wit yeast strain contribute wonderful orange and citrus aromas and a crisp, yet silky mouthfeel.

COUP D’ ETAT: 7.6% ABV, Original Gravity = 17 °P, 50 IBUs. Our interpretation of this classic Belgian style is more highly hopped and stronger than most Saisons! A combo of American, Belgian and German malts such as Pilsner, Cara-pils, and Aromatic contribute a beautiful golden hue and faint hints of freshly baked bread. German Select hops are added in increasing amounts four separate times during the time in the brew kettle to impart a clean crisp bitterness and herbal hop aromas! We use an amazing French Saison yeast strain which infuses complex flavors and aromas of spice and freshly grated citrus rind and hangs in suspension to lend a touch of cloudiness and mystery in the finished product. Crisp, complex and refreshing, this ale is right on the mark for this time of the year!

The brewery first opened in Rhinelander in 1892. Brewing operations in Rhinelander ended in 1967. After the brewery closed, Rhinelander beer continued to be made in Monroe, Wisconsin at the former Joseph Huber Brewing Company. The Rhinelander shorty 7 oz was reintroduced in the summer of 2011 and is available in many locations throughout Wisconsin. The first additions to the Rhinelander shorty came in the fall of 2011—Chocolate Bunny Stout, Imperial Jack Double IPA, Thumper American IPA and Mystical Jack Traditional Ale. The objective of Rhinelander Brewing Company is to rebuild a brewery in Rhinelander in the coming years.

**Export Lager “Shorty”:** Style: American Adjunct Lager. O.G.: 1.13. IBU: 13.0. ABV: 5.0. The beer that started the entire stubby beer bottle craze is back! Made with the original recipe from yester-year, it is a refreshing and malty beer made with only the finest 2-row malted barley and sun ripened hops that create a light and smooth finish. Carbonation dances off your tongue and reminds you that the best things in life are crisp just like the Northwoods! Look for it in your favorite retailer and on premise establishment. Available year round.

**Chocolate Bunny Stout:** Style: American Stout. O.G.: 1.65. IBU: 60.0. ABV: 5.5. This beer pours dark brown with a moderate tan head and taste of roasted coffee with a light cocoa aroma come through slowly, it is very pleasant and not overpowering. A pronounced roasted malt flavor with a slightly sweet cocoa note conclude with a subtle hop bitterness that is well balanced. Mouth feel is velvety smooth. Available year round.

**Imperial Jack Double IPA:** Style: American Double / Imperial IPA. O.G.: 1.75. IBU: 75.0. ABV: 8.5. This is a big, beefy IPA. Pale golden straw color with a nice one finger head and good retention. Aromas are of a strong pine and citrus hop. The pine and citrus flavors both come through with taste that nearly conceals the malt, but not quite. For a hoppy beer, it finishes with an easy linger, a medium mouth feel and a very warming afterglow. Available year round.

Thank you to the Beer Gods for striking a deal to get us into the Great Taste. Located across the big lake in Traverse City, MI, brewing on a 7 bbl system nearly every day to keep up with the demanding growing pallets. We will be 4 years old in December 2011. We try to use as much local product as we possibly can, including asparagus and whole baked cherry pies, but we didn't have time to bring them with us. Chef Corey, retired after 20 years to become Brewmaster Corey (he is old.) He is developing beers that have been inspired by his culinary mind. To heck with liquid bread, we have a full coarse beer menu. We have a constantly rotating menu of interesting beers. This is a cliff note, check out our booth for a sample or see www.rightbrainbrewery.com "we brew what we want, when we want, because we can.”

**Spinal Tapper:** Style: American IPA. O.G.: 1.064. IBU: 60.0. ABV: 7.5. India pale ale. A medium bitterness IPA using only Calypso hops, a new crossbred variety from the West Coast. Expect an earthy hop flavor accented by subtle notes of pear & green apple and showcasing a beautiful copper/orange color similar to that of Oktoberfest style beers.

**Ceo Stout:** O.G.: 1.056. IBU: 25.0. ABV: 5.5. Coffee stout. Chocolate. Espresso. Oatmeal. This full bodied chocolaty American Style Stout gets its big flavor from French Roasted Brazilian Beja Flor coffee beans. No extracts involved. Only bold ideas, decisive action, and a lot of coffee: the pillars of any great CEO.

**Stowaway:** Style: Saison / Farmhouse Ale. O.G.: 1.049. IBU: 11.0. ABV: 5.7. Reclaimed saison. A traditional saison with a hazy golden color, fruit-forward aroma, crisp
complex flavor, and mildly acidic finish. RBB Brewers cultivated the reclaimed yeast used for this beer over the span of seven months.

**SPINY NORMAN:** Style: American IPA. O.G.: 1.052. IBU: 50.0. ABV: 6.2. India pale ale. A strong floral hop nose is the gateway to a wonderfully sharp and effervescent mouth feel. Showcasing a pale gold body and floral hop notes with a remarkably clean finish.

**DEAD KETTLE:** Style: American IPA. O.G.: 1.056. IBU: 70.0. ABV: 5.5. India pale ale. One of our classic IPAs! Focusing on the citrus side of hops, expect a zesty mouth feel, citrus aroma, and medium bitterness similar to that of biting into a grapefruit rind.

**NORTHERN HAWK OWL:** Style: American Amber / Red Ale. O.G.: 1.058. IBU: 22.0. ABV: 5.8. Amber ale. One of Right Brain Brewery's most popular beers. Northern Hawk Owl has something for everybody. Whether it’s its rich caramel notes for the fans of darker beers or a light and crisp body, Hawk Owl is an ‘every day’ beer. Light enough to drink en masse but satisfying enough to share with the guys after work. Not sure which Right Brain brew to choose? Northern Hawk Owl is always a wise choice.

**STRAWBERRY FIELDS:** Style: Cream Ale. O.G.: 1.052. IBU: 10.0. ABV: 4.7. Cream ale. This light bodied cream ale is brewed with real Strawberries; no extracts here, just pure berry flavor. Slightly tart and sweet with mild biscuity undertones, this ale can satisfy even the most ravenous of Strawberry Shortcake cravings. Don’t expect this beer to taste like candy, only the tart and refreshing taste of real Strawberries.

**BLUE MAGIC:** Style: American Pale Wheat Ale. O.G.: 1.052. IBU: 12.0. ABV: 4.8. Lavender ale. Extremely aromatic with a large ‘bouquet’ of flavor... we use that term seriously. Real Lavender imparts notes of floral spice. Very light bodied and easy to drink, yet intriguing enough to keep your right brain stimulated.

**FIRE STARTER:** Style: Chile Beer. O.G.: 1.06. IBU: 23.0. ABV: 5.5. Chipotle porter. Made with real Chipotle peppers, this deep bodied and roasty porter showcases strong smoky notes and mild spicy finish to keep you coming back for more.

**LOOPING OWL:** Style: American Amber / Red Ale. O.G.: 1.058. IBU: 22.0. ABV: 6.5. Barrel aged amber. Aged in Grand Traverse Distillery Whiskey Barrels. **ROCK BRIDGE BREWING CO. | 529**

Brewmaster: Stu Burkemper
www.rockbridgebrewery.com
1675 Buchanan Dr, Columbia, MO, 65203
Established 2012. Rock Bridge Brewery is Columbia's first production brewery. Our brewmaster uses old world craftsmanship and blends it with his American craft beer experience. Our beers range from lightly flavored to complex beers that will take your tongue for a ride on the flavor train. Currently, our beers are only available on draught around the Columbia, MO area, but plan on expanding both production and distribution with cans and draught available in early 2013.

**Occident Coast IPA:** Style: American IPA. O.G.: 1.065. IBU: 75.0. ABV: 7.1. Occident refers to the West and this beer takes notes from the West Coast IPAs. A nicely malty backbone with fruit and citrus notes bring this beer together.

**Sock Puppet White IPA:** Style: American IPA. O.G.: 1.055. IBU: 60.0. ABV: 6.5. Sock Puppet White IPA is named after how the owners jokingly hash out disagreements with “sock puppet” voices and hand movements. Wheat malt, oats and a Belgian Wit yeast lend a light bodied and flowery, citrusy flavor and aroma. Columbus and Topaz hops give the beer a brisk bitterness and a tropical fruit aroma.

**Saison:** Style: Saison / Farmhouse Ale. O.G.: 1.049. IBU: 35.0. ABV: 5.5. A bastardized American version of a classic style, our Saison brings hoppy bitterness and hop flavor to your taste buds. Rye malt and a French Saison strain bring a spicy and earthy flavor and aroma pairing with the hops beautifully.
RUSH RIVER BREWING CO. | 308
Owner: Nick Anderson | Brewer: Dan Chang
www.rushriverbeer.com
990 Antler Ct, River Falls, WI, 54022 | 715-426-2054
Rush River beers are brewed, kegged and bottled in River Falls, WI. Our beers are UNFILTERED and UNPASTEURIZED giving them more flavor, a robust mouthfeel (not watery) as well as many health benefits. Our beers are a fresh product and should be refrigerated to stay at peak flavor. We use no additives or finings in our beers. Inside every bottle there may remain residual amounts of yeast that will settle out if left undisturbed and cold. This yeast can be mixed back into the beer with a gentle shake, or the clear beer can be slowly decanted off the top. Our yeast strains are custom made for us in Oregon, and all of our barley, wheat and hops are American grown. We currently offer five full-time beers, and brew scheduled seasonals. If you enjoy our beers, please help us distribute them by showing your shopping outlet this flyer so they know which of our beers you wish to buy from them.

SMALL AXE GOLDEN ALE: Style: American Pale Wheat Ale. ABV: 4.5. Originally a summer seasonal offering, the Small Axe has graduated into a full-time seller. Brewed with white wheat and barley from WI, this beer is not what you'd expect from a wheat ale. Cool and crisp, this lively ale is a great introduction to craft beers. Nancy's favorite and goes great with Cheddar cheese! Available year-round.

LOST ARROW: Style: American Porter. ABV: 5.0. Dark as night and very complex, this tasty Porter is a real gem. Lighter in alcohol than many expect, this beer is incredibly smooth and has really grown into a crowd pleaser. Available year-round to feed the addicted. Available year round.

NEVERMORE: Style: Oatmeal Stout. ABV: 8.0. Available December through March. This late-Winter seasonal is extremely dark and flavorful. Rolled oats give it a smooth feel, while the addition of premium cocoa makes this stout a sure crowd pleaser. Somewhere between coffee and chocolate cake. Seasonal.

THE UNFORGIVEN: Style: American Amber / Red Ale. ABV: 5.5. Rich in flavor and mildly sweet, this amber ale is dry-hopped in the conditioning tank to add a subtle herbal nose. The robust caramel color and flavor is complemented with a frothy head that leaves a thick lacing on the glass. A classic session ale, great with food. Available year-round.

BUBBLEJACK: Style: American IPA. ABV: 6.5. Incredibly smooth, this ale is truly a phenomenon in taste. This American Style IPA is brewed with a lighter grain bill which allows the various Yakima Valley hops to shine. Bubblejack IPA is also dry-hopped prior to packaging for an added hop aroma. Available year round.

DOUBBLE BUBBLE: Style: American Double / Imperial IPA. ABV: 9.0. Available year-round. Originally our summer seasonal, demand has forced us to offer the Double Bubble all year long, and we don't mind one bit. This hop-whopper is the bigger brother to our very popular Bubblejack India Pale Ale. Light in color, the hops do the talking in this full-bodied ale. For this version, we've doubled the hops and added three pounds of local honey per keg. Extremely smooth and slightly sweeter than the original, a little goes a long way. Available year round.

ÜBeralt: Style: Altbier. ABV: 8.5. Available April through July. Our Alt is a much stronger version of the traditional Dusseldorf Altbiers. An ancient style from the RhineLand, AltBiers are ales that were virtually wiped out by German lagers in the 1800’s. We use plenty of European hops and German pilsner malts to brew a remarkably clean beer. We then rest it in the cooler for two months to achieve the mellow finish that is the ÜBeralt’s trademark. Seasonal.

Winter WarMer: Style: Winter Warmer. ABV: 8.0. Available October through January. Our classic Winter Ale has been pouring for years. Based on a Scotch Ale recipe of ours, this dark ale packs a punch. We load the grain bill to emphasize maltiness with a sweet finish. This beer is also generously hopped for balance. A perfect pint for the cold of Winter. Seasonal.

GREED GOLDEN ALE: Style: Kölsch. ABV: 5.8. Our Golden Ale was inspired by the Kölsch beers brewed in Cologne, Germany. It is top fermented and then lagered producing a smooth, crisp and refreshing beer.

LUST WEISSBIER: Style: Hefeweizen. ABV: 6.5. A generous amount of wheat and a special strain of yeast creates LUST. Served "mit hefe" where the yeast is not filtered out, giving the beer a cloudy appearance.

SAMUEL ADAMS BREWING CO./ ANGRY ORCHARD | 303
Brewmaster: Eric Beck
www.samueladams.com
1625 Central Pkwy, Cincinnati, OH, 45214

Established in 1985 (company) and 1997 (brewery). After years as a contract brewing company, Boston Beer Company acquired its Cincinnati brewery in 1997 (and therefore has its festival credentials as a Midwest brewer!). The brewery has a 200-bbl brewhouse and an annual capacity of 800,000 bbls. The Cincinnati brewery brews about 2/3 of the company’s beer after a recent $6 million expansion. Angry Orchard Cider Company, brewed in Cincinnati OH, made its debut in 2012. After years of experimenting with different types of apples from all over the map and different cider-making techniques we learned along the way, we came up with a really imaginative, creative recipe.

WHITEnUT IPA: Style: American IPA. ABV: 5.8.

GRUMPY MONK: Style: Belgian IPA. IBU: 55.0. ABV: 5.7. SRM: 13.0. A spirited reinvention of the Belgian tradition. The long held brewing traditions of Belgian monks aren’t meant to be broken. Yet, to the monks’ dismay, the distinctive character of Belgian yeast with its spicy clove and fruit notes can be reimagined when combined with the brazen hop character of an IPA. These hops impart a citrusy, piny, and earthy flavor that’s balanced by a roasted malt sweetness for a complex and playful brew.

BACKWOODS PORTER: Style: American Porter. IBU: 70.0. ABV: 5.6. SRM: 48.0. This full-bodied Porter offers a complex combination of flavors; with notes of sweet Vermont maple syrup and a distinct pecan character which are subtly complemented by Bourbon flavors such as oak and vanilla.

NOBLE PILS: Style: Czech Pilsener. IBU: 43.0. ABV: 4.9. SRM: 5.0. Brewed with all 5 Noble hops from the world’s oldest growing regions for a distinct and complex hop character. Fresh and citrusy hop aroma and flavors from the Noble hops are nicely balanced by the honeyed malt character from special Bohemian spring barley.

IMPENnIAL BfIts: Style: British. IBU: 5.1.

WHITE LANTERN: Style: Belgian. IBU: 5.5.

DOUBLe Bock: Style: Doppelbock. IBU: 5.0. ABV: 5.5. SRM: 40.0. Samuel Adams Double Bock is brewed with a half-pound of malt in each bottle, almost enough for a loaf of bread. The strong malt and caramel character create a rich, full-bodied lager with a deep mahogany color and velvety smooth flavor.

GRiFFiN’S BOn: Style: American Barleywine. IBU: 11.5.

DOUBLe AGENT IPL: Style: American Pale Lager. IBU: 43.0. ABV: 5.0. SRM: 10.0. Brewing innovation is about asking “what if?” What if we gave an IPA a new identity and used some of our favorite West Coast hops, with their grapefruit, piny, & tropical fruit character, in a lager? The result is this boldly hoppy & flavorful brew with the crisp smoothness of a lager.

CHERRY WHEAT: Style: Fruit / Vegetable Beer. IBU: 23.0. ABV: 5.3. SRM: 6.0. Crisp and fruity with a hint of honey; this cherry brewed ale has surprising depth while being light on the palate.

OCTOBERfEST—MARZEN: Style: Märzen / Oktoberfest. IBU: 15.0. ABV: 5.3. SRM: 20.0. In 1810, Munich celebrated the wedding of their Crown Prince with a special beer. Our version of this classic Oktoberfest lager masterfully blends together five roasts of malt to create a delicious harmony of sweet flavors, including caramel and toffee. The malt is complemented by an elegant bitterness imparted by the Bavarian Noble hops.

BOSTON LAGER: Style: Czech Pilsener. IBU: 30.0. ABV: 4.9. SRM: 11.0. Bold, rich and complex. The distinctive balance of spicy, complex hops, slightly sweet roast malts, and smooth finish, are what give this full-flavored taste. The unmistakable character of this brew began as our original and became an American original.

ANGRY ORCHARD CRISP APPLE: Style: Cider. IBU: 5.0. This crisp and refreshing cider mixes the sweetness of the apples with a subtle dryness for a balanced cider taste. The fresh apple aroma and slightly sweet, ripe apple flavor make this cider hard to resist.

ANGRY ORCHARD APPLe GiNGEr: Style: Cider. IBU: 5.0. Unlike any cider you’ve had before, the fresh ginger and apple flavors blend together for a sweet, yet slightly tart taste with a distinct ginger aroma. The result is a smooth, refreshing cider that goes down easy.

ANGRY ORCHARD TRADITIONAL DRY: Style: Cider. IBU: 5.5. This is made in the style of English draft ciders. This cider is bittersweet and slightly spicy with a bright apple aroma. The dryness makes you pucker and look forward to another sip.

Rhinelander BREWING COMPANY LLC
ANGRY ORCHARD STRAWMAN: Style: Cider. ABV: 10.0. Ripe apple, vanilla and honeysuckle flavors with aroma of ripe apples, wood, dark fruits and sweet citrus. Inspired by centuries-old English and French farmhouse cider-making techniques. Aged on oak, wine-like characteristics leave a smooth, fruity and effervescent finish with lingering notes of wood and apple.

ANGRY ORCHARD ICEMAN: Style: Cider. ABV: 10.0. Inspired by the traditional ice ciders of Quebec and combines crisp apples with notes of caramel and toffee for a cider that’s sweet but not syrupy or cloying. Aging the cider on oak adds a smooth, vanilla character.

SAND CREEK BREWING CO. | 517
General Manager: Jim Wiesender | Brewmaster: Todd Krueger
www.sandcreekbrewing.com
320 Pierce St, Black River Falls, WI, 54615 | 715-284-7553

In 1856, Ulrich Oderbolz pioneered Western Wisconsin’s brewing industry, and he did it in Black River Falls. Today, the Sand Creek Brewing Company, continues that proud tradition by offering great beers brewed at the same location. Ulrich brewed his beer over 154 years ago. After several family tragedies in the early 1900’s, the Oderbolz family sold the brewery to local businessmen and it was renamed to the Badgerland Brewery. In hindsight it is easy to see that the new owners made a bad investment. Three men from England visited the brewery in 1920. Over the next 70 or so years the old brewery had been used for everything from raising turkeys to building land mines during the Korean War to bottling Coca-Cola and private labeled soft drinks. In late 1996, brothers Jim and Dave Hellman purchased the old brewery with plans to return it to its original use. The brothers refurbished the building and installed a brand-new, state-of-the-art brewing system. In June of 1997, the first kegs of beer rolled off the line. In the late 1990s, Cory Schroeder teamed up with partner Jim Wiesender and the two set out to research and build a brewery on the Schroeder farm near Downing, Wisconsin. With the help of friends and family, they converted a large barn into the brew house, and turned a 32-foot refrigerated semi-trailer into the beer cooler. They scrounged brewery materials from sales around the Midwest, using pudding tanks to make the mash and brew. Kettles. In 1999, the Sand Creek Brewing Co. became a reality with the first official brewing of Sand Creek Golden Ale.

OSCAR’S CHOCOLATE OATMEAL STOUT: Style: Oatmeal Stout.
WILD RIDE IPA: Style: American IPA.

SCHLAFLY BEER | 213
Chief Brewer: Stephen Hale | Chief Brewer: James Ottolini
www.schlafly.com | questions@schlafly.com
2100 Locust St, St. Louis, MO, 63103 | 314-241-BEER

Established 1991. Missouri’s first brewpub, St. Louis’s largest locally-owned brewery. An historic moment for us returning for our TWENTIETH GREAT TASTE OF THE MIDWEST. The Schlafly Tap Room, located in the historic Swift Printing Buildings which Snake Plissken once walked past in a moment of stardom, was an anchor in the revitalization of downtown St. Louis. The 15-bbl brewhouse produces nearly sixty beer styles a year: come try all of them at our 14th annual HOP in the City beer festival held at The Tap Room on Saturday, September 15th, 2012. Brewing at the Tap Room has expanded to include a series of beers in 750ml bottles: The 10% Reserve Oak-Aged barleywine and Bourbon Barrel-Aged Imperial Stout; and a bottle-conditioned series: Bière de Garde, Grand Cru, Tripel, and Quadrupel. Raspberry Coffee Stout, Old Ale, and Weizenbock are also in the lineup. Schlafly Bottleworks opened not too far away in April 2003, and is on pace to brew nearly 500,000 bbls in 2012. You can find our beer at most places within a five-hour drive, supporting our belief that beer should be consumed as fresh and close to home as possible. The menu focuses on local purveyors, and Schlafly Gardenworks produces mountains of vegetables and herbs used in both restaurants. Schlafly is a member and ardent supporter of Slow Food St. Louis, sharing similar philosophies and common goals. The brewery has had several expansions lately, if you haven’t seen it in a while, you’re overdue to jump on a tour sometime; it’s an enthralling expedition.

KÖLSCH: Style: Kölsch. O.G.: 11.8. IBU: 25.0. ABV: 4.8. SRM: 6.0. A classic golden ale that uses a centuries-old yeast strain from a famous Kölsch brewer in Köln, Germany. FLANDERS RED: Style: Flanders Red Ale. IBU: 15.0. ABV: 5.0. Schlafly's first true Belgian-style sour beer. This red Belgian Singel was aged in charred oak barrels for over 2 and a half years with Pediococcus, Lactobacillus and Brettanomyces. These bacteria and wild yeasts provide a nice sour, funky flavor creating a unique tasting beer.

MEAD: Style: Mead. ABV: 14.5. Man those bees make some good stuff, just leave it to them.

BOURBON BARREL-AGED RASPBERRY IMPERIAL STOUT: Style: American Double / Imperial Stout. O.G.: 23.0. IBU: 40.0. ABV: 8.0. SRM: 17.0. We added real raspberry purée to our delectable Imperial Stout, aged in bourbon barrels.

GINGER IN THE RYE: Style: American Pale Wheat Ale. O.G.: 17.3. IBU: 39.0. ABV: 7.5. An experimental ale brewed with rye and Munich malt, fermented with the Weihenstephan yeast strain, giving it elements of a German wheat beer. A deep golden color with a shly white head that dissipates quickly. The aroma has a zing of fresh ginger mixed with hints of spice and faint banana fragrances, alluding to the complexity of this unassuming ale. The flavor is sharp and crisp, laced with snappy ginger, spice, and citrus fruit qualities.

WIT HAPPENS: Style: Witbier. O.G.: 11.7. IBU: 19.0. ABV: 4.9. Belgian Witbier brewed with coriander, grains of paradise, and orange peel. Delicate aromas of sweet citrus and bready malt rise from this hazy pale yellow ale. Although perceivably low on the nose, the spicy contributions from the Belgian yeast come through instantly upon first taste, offering pleasant clove compliments to the lively array of additional peppery flavors. Followed by a soft banana-like sweetness and a mildly pleasant tang, the finish is relatively clean marked by a slight lingering spiciness with a touch of bitterness.

BOURBON GOODNIGHT BODACIOUS: Style: American Black Ale. O.G.: 22.0. IBU: 136.0. ABV: 8.75. Double India Black Ale aged in Bourbon barrels. An ale so dark and black that it’s completely impenetrable to light, with a layered nose of rich sweetness and unexpected earthy hopiness. This hefty bodied beer presents big bitter black barley
and roasted coffee flavors, along with subtle compliments of dark fruit and green hops. After aging in Bourbon barrels for over 9 months, strong flavors of vanilla and charred oak provide an array of compliments, along with some unique hazelnut characteristics.

**PB & Banana Wheat:**
Style: American Pale Wheat Ale. O.G.: 18.0. IBU: 10.0. ABV: 7.5. Wheat Ale brewed with roasted peanuts and banana puree. Attractive aromas of sweet creamy peanut butter and banana, blend pleasantly with the light distinguishable esters of the Weihenstephan yeast strain, used to brew this experimental tan colored wheat beer. Plentiful flavors of toasted peanuts surrounded by sharp sweet banana compliments, form the basis of this strong light bodied ale. A rich lingering sweetness dries the palate, providing a mild breadiness, and provoking the next tempting taste.

Style: American IPA. O.G.: 13.2. IBU: 32.0. ABV: 6.0. American India Pale Ale brewed with sage aged in Bourbon barrels. A burnt orange colored American Pale Ale with notable sage and resiny pine aromas. Medium bodied with relatively low malt sweetness, floral fruity hops infuse with agreeable herbaceous flavors that contribute equally to a heightened bitterness, which eventually fades, leaving an undeniable and satisfying aftertaste of fresh sage resonating on the palate. After aging in whiskey barrels for over 9 months, the curious blending creates interesting aromas of ginger ale and notable boozy flavors throughout.

**Beard of Zeus:**
Style: American IPA. O.G.: 11.2. IBU: 80.0. ABV: 5.5. American India Pale Lager brewed with bitter orange rind. A super hopped American pale lager brewed exclusively with Zeus hops. The wet green dank aroma of the Zeus hops pour out of this beer with sweet hints of orange. **Carob Stout:**
Style: American Double / Imperial Stout. O.G.: 17.5. IBU: 92.0. ABV: 6.4. A big bodied stout that receives its distinguishable flavor characteristics from the substantial use of roasted malt, dark specialty grains, and ground carob.

Square One Brewery and Distillery was founded in 2006 in the historic Lafayette Square District of St. Louis and features an upscale pub menu, 12 draft beers and one cask ale. Square One doesn't distribute any of its beers, offering them at the bar, in the restaurant or as a to go item in a growler. The owner, Steve Neukomm has been in the food and beverage industry in St. Louis since the 1970's and has owned the building, which houses Square One, since 1985. In 1999 Steve opened Augusta Brewing Company and for a few years ran both locations, selling August in 2010. Dr. John Witte, Square One's brewer has over 18 years of brewing experience in St. Louis, having brewed and/or helped start up 4 breweries in the metro area. In 2009 Square One added a 50 gallon pot still and began distilling products, which now feature over 14 different styles ranging from our award winning JJ Neukomm American Malt Whiskey to America's second tequila product produced outside of Mexico, our Agave Blue. Current production at Square One Brewery and Distillery tops 700 barrels per year.

Bavarian Weizen: Style: Hefeweizen. O.G.: 12.5. IBU: 12.0. ABV: 4.75. A Southern German hefe Weissbier brewed with over 50% malted wheat, sourced from Germany. A light copper colored, unfiltered wheat beer with a generous amount of clove spiciness and a touch of banana-like sweetness in the finish. The recipe was written on the back of a coaster and given to our brewer while on a trip to Germany and visiting a brewpub in Stuttgart. This beer is featured year round at Square One Brewery and Distillery.

Belgian Wit: Style: Witbier. O.G.: 12.5. IBU: 14.0. ABV: 4.5. A traditional Belgian Wittbier, featuring bitter orange peel and coriander in both the flavor and aroma. All Oat Lager: Style: Munich Helles Lager. O.G.: 13.0. IBU: 28.0. ABV: 5.3. An experimental first for our brewery and possibly a first for the United States. This beer used malted oats, crystal oats and two different types of flaked oats, brewed as a Helles-Style Lager with a long lagering period. Oats are, by nature, gluten-free, and although there is the possibility of cross contamination with wheat and barley during malting and milling, this beer is our attempt at making a gluten reduced beer for those who are looking for one which is made and tastes like beer.

IPA: Style: American IPA. O.G.: 15.5. IBU: 80.0. ABV: 6.25. An unfiltered American IPA featuring Magnum, Summit, Cascade and Mt. Hood hops. This amber Ale has a strong floral and citrus flavor and aroma with a full body and sharp palate cleansing bitterness in the finish.

Stevens Point Brewery is steeped in a history that has transcended the trials of the Civil War, the Great Depression and Prohibition. More than 150 years later, the Stevens Point Brewery continues to successfully brew quality beer, just as the brewery's founders, Frank Wahle and George Ruder, did in 1857. This undeniable endurance is a testament of why the Stevens Point Brewery, in Stevens Point, Wisconsin, is the 3rd oldest continuously operating brewery remaining in the United States. Today, the Stevens Point Brewery is proud to be Wisconsin-owned and independently operated.

Tallgrass Brewing Co. | 504
Brewmaster: Jeff Gill
www.tallgrassbeer.com
8845 Quail Lane, Manhattan, KS, 66501 | 785-537-1131

The decision to found Tallgrass Brewing Company was made by Jeff Gill and his wife Tricia on April 8, 2006. Tricia had asked Jeff THAT question: “What do you want to do with the rest of your life?” Jeff had been thinking about that exact question quite a bit. “I want to start a microbrewery!” Jeff answered. He had been an avid homebrewer for six years and loved to brew beer that people enjoyed.

8-Bit Pale Ale: Style: American Pale Ale. O.G.: 1.057. IBU: 40.0. ABV: 5.2. Malts: 2-Row, Victory, Vienna, & Munich. Hops: Magnum, Centennial, Cascade & Galaxy. Just like those classic video games we all grew up with, 8-Bit Pale Ale is simple at first glance yet, fun and complex when you get into it. Our Hop Rocket infuses the character of Galaxy Hops from Australia into an American Pale Ale, giving a unique tropical, almost melon flavor in a classic American Style.

Buffalo Sweat: Style: Milk / Sweet Stout. O.G.: 1.057. IBU: 20.0. ABV: 5.0. Malts: Pale Malt, Roasted Barley, Black Malt, Victory, Vienna, Oats, Lactose Sugar, Hops: Glacier, Williamette. We love this beer here at the brewery, and think you will have one of those “I’ve never-tasted-a-beer-like-that” kinds of moments when you try it! What we really like about this beer is the smoothness that brewing with cream sugar brings to the palate. This smoothness balances out the copious quantities of roasted barley used in the brewing process to create a rich, complex, and delicious beer. If you have not been a stout drinker in the past, give this beer a try. It might just change your mind about how dark beers should taste. It tastes so rich, but is surprisingly easy to drink!

Ethos: Style: American IPA. IBU: 110.0. ABV: 6.8. A beer foretold in legend. Crafted from a palate of six types of hops, this is no ordinary IPA. Double dry-hopping, with three hop varieties, creates an aroma that is big, bright and beautiful. The taste of Ethos explodes with juicy hop flavors, but this beer is carefully brewed with balanced malts to enhance the hops’ natural character without overwhelming the senses. Drink it and be amazed.

Wild Plum Farmhouse Ale: Style: Saison / Farmhouse Ale. O.G.: 1.055. IBU: 20.0. ABV: 5.6. A crisp, slightly tart, and uniquely refreshing beer. An infusion of wild plums, handpicked at a genuine farmhouse, gives this beer a light tangy fruit flavor. The perfect summer companion. Farmhouse ales are also known as “saisons” (French for seasonal), a style of summer beers traditionally brewed by Belgian farmers to serve farm workers as part of their wages. Not a bad deal, if you can get it. Wild Plum is available each summer, June through July.

Velvet Rooster: Style: Tripel. O.G.: 1.08. IBU: 40.0. ABV: 8.5. Malts: Pilsner, Light Munich. Hops: German Tradition, East Kent Golding, Northern Brewer. This Belgian Tripel lives up to its name. Smooth and carefully crafted like a fine velvet painting,
but with an 8.5% ABV this bird has some spurs! This beer has a wonderful floral nose and a sweetness like candy.

THE HERD: Sour Buffalo Sweat—Aged for one year on Brett, blackberries & oak.

Third Street Brewhouse – it’s all about the beer!

RISE TO THE TOP CREAM ALE: Style: Cream Ale. IBU: 20.0. ABV: 4.1. SRM: 2.0. This is a special beer style that is a satisfying refresher. The light body and pale color result in a mild aroma and taste, with its own unique signature. The hop impact is not excessive and compliments the pale malt flavor profile.

LOST TROUT BROWN ALE: Style: American Brown Ale. IBU: 20.0. ABV: 4.9. SRM: 20.0. This is a true brown, not only because of its color but because of its stringent adherence to the style guidelines; a real beer connoisseurs dream. The hop flavor and aroma is adequately full and assists the roasted malt flavors that are perceived on the palate. There is limited fruitiness and the body is appropriate.

BITTER NEIGHBOR BLACK IPA: Style: American Black Ale. IBU: 62.0. ABV: 6.5. SRM: 40.0. The rich darkness is not excessive as is sometimes seen in other craft iterations. A medium high hop flavor and aroma befits this style. The caramel and roasted malt flavors and aromas are enhanced with a well-controlled fruitiness.

From St. Paul with love.

161 North Archer Ave, Mundelein, IL, 60060 | 847-970-9174

Tighthead Brewing Company was founded by Owner/Brewer Bruce Dir, a long time homebrewer and Siebel Institute graduate, and began production in the fall of 2011. The production brewery and tap room are located adjacent to the Metra train station in Mundelein, Illinois and produce quality ales and lagers for all seasons. Our Comfortably Blonde Ale, Scarlet > Fire Red Ale and Irie IPA are currently being distributed throughout Lake County and the northern Chicago area in draught form only. Our Tap room typically features eight beers on tap, many of which are seasonal beers and are only available in the tap room by the pint or growler. Examples of our loyal followers favorite seasonal beers brewed so far are the Boxcar Porter, Hat Trick Tripel and Go-Go- witbier, among others. Our approach is two-fold, to brew quality beer is a must, but we also want to turn as many people on to as many craft beer styles as we can. Brewmaster Billy Oaks handles the majority of the brewing and manages the brewing operations at Tighthead. Billy is a graduate of the American Brewers Guild program and spent time as a homebrewer and managed a local homebrew shop prior to joining Tighthead. Our 15 BBl brew house was fabricated new by Newlands Systems, inc. and will produce about 3200 BBl a year at capacity. We hope to expand our year round offerings as we grow and are planning for a packaging line in year two of operations. We hope you come and see us in the tap room where you can view the brewery while enjoying a pint or two. We are open Wednesday through Sunday and tours are available on Saturdays and Sundays at 2:00pm and 4:00 pm.

Established 1996. After living in France, brothers Jim and Jason Ebel developed a passion for flavorful specialty beer. After returning to the states, they had trouble finding that type of beer in Chicago so they opened Two Brothers Brewing Company in 1996. To get them started, the Ebels' grandfather, a retired dairy farmer, donated his bulk milk tanks, which were quickly converted to fermenters. In addition to our traditional style beers, we have some of the coolest, most kick ass brewers and awesomest and best looking salespeople ever! We have some of the most delicious and mouth wateringly fabulous beers on the planet! If people come visit the Two Brothers Brewery or Two Brothers Roundhouse we will make all their dreams come true.

DOMAINE DUPAGE: Style: American Amber / Red Ale. IBU: 24.0. ABV: 5.9. Inspired by the brothers' time living in France, this food-friendly ale is deep amber in color, with a toasty and sweet caramel start. It finishes with just enough hops to clean off the palate. Bon Appetite!

Three Beaches Honey Blonde Ale: ABV 5.25%, IBU 10. Our Wisconsin version of the American Blonde Ale. This beer is light-bodied with a sweet touch of honey and a mild citrus accent. ∗ Nothing beats a day at the beach... the sun, the sand and, of course, the scenery. Here in Lake Mills, the three beaches of Rock Lake have drawn young and old for generations... to laugh, to play, to frolic, to just escape stresses of life for a time. Three Beaches Honey Blonde is like a day at the beach... light, bleached blonde, gleefully effervescent, free from bitterness and sure to improve your attitude. When you need a little attitude adjustment, spend a day at the beach with Three Beaches Honey Blonde... and you won't even have to wash the sand out of your suit!

Bitter Woman IPA: ABV 5.75%, IBU 68. Our Wisconsin variation of an India Pale Ale. This beer is intensely bitter with a mighty hop flavor and aroma. ∗ Lest we forget Aunt Cal, an early resident of Lake Mills. Local history remembers her for blindly running into a hitching post and saying: "Excuse me Mr. Dodge!" It was said that she was an old sweetheart of the famous American poet, Henry Wadsworth Longfellow.
And she still had the love letters to prove it! Sadly Aunt Cal never wed. We brewed our Bitter Woman IPA the way we imagine Aunt Cal may have been, very fruity and intensely bitter. So lift up a pint of Bitter Woman IPA and toast Aunt Cal and the bitter woman you know. Cheers!

Headless Man Amber AIT: ABV 5.25%, IBU 35. Düsseldorf-style Alt* The ancient peoples that inhabited Wisconsin are known for building numerous celestial stone monuments and earthen effigy mounds to serve as symbols of their culture and beliefs. Unfortunately, most of these structures have fallen victim to the farmer's plow over the past 150 years. Not far from the brewery, lying preserved on the floor of Rock Lake, are two effigy mounds – a Headless Man and a Turtle. Legend tells us, as the Turtle can survive on both land and in water, its spirit helped guide the Headless Man into the afterlife. May the Turtle's spirit guide you to happiness with a Headless Man AIT.

HopWhore Imperial IPA: ABV 7.5%, IBU 100. Imperial IPA * Overpowering perfume. Dripping with luscious hop flavor. And, oh what a body. You're in for one helluva experience!

Rocky's Revenge: ABV 5.75% (before barrel-aging), IBU 35. An American brown ale with a portion aged in bourbon barrels. Each bourbon barrel will contribute its own unique character to this rich, satisfying ale. * Deep in the darkest depths of Rock Lake prows a great saurian known today as Rocky. The legend of Rocky is old. The ancient inhabitants of Aztalan warned of the beast by building a giant serpent mound at the lake's edge. The early residents of Lake Mills were forewarned of a guardian placed in the lake to protect its sacred stone tepees. And history tells of numerous encounters with Rocky, who became a source of great worry and fear. Although not seen for over a century, divers still experience a feeling of dread and being watched. Enjoy Rocky's Revenge, our offering to this legendary protector of Tyranena.

H(OP)WORE Imperial IPA: ABV 7.5%, IBU 100. Imperial IPA * Overpowering perfume. Dripping with luscious hop flavor. And, oh what a body. You're in for one helluva experience!

Dirty Old Man: ABV 7.5% (before barrel-aging), IBU 35. Imperial Rye Porter Aged in Rye Whiskey Barrels * Dark black with a cappuccino head. Full-bodied with modest carbonation. Spicy rye, chocolate malt and balanced oak barrel flavors.

Six Barrels/Rotating Tap

200 P.M. – BENJY'S: ABV 7.5% (before barrel-aging), IBU 35. Smoked Imperial Porter brewed with Chipotle Peppers * Imperial porter. Big, black and smoky. Rich full-bodied with a silky chocolate crown. Dark roasted flavors host the smoky character of wood-fired malt while chipotle peppers add a smoldering tickle of heat.

300 P.M. – Who's Your Daddy?: ABV 7.5% (before barrel-aging), IBU 35. Bourbon Barrel-aged Imperial Porter * Midnight black. Big, rich and semi-sweet. Dark malts yield coffee, caramel and toffee flavors. Barrel aging adds vanilla, toasted oak and hazelnut. Mmm... satisfying. So... Who's your daddy now?

400 P.M. – Shaggin' in the Wood: ABV 9% (before barrel-aging), IBU unknown. Bourbon Barrel-aged Scotch Ale * A complex blend of flavors. The rich caramel and toffee flavors of Sheep Shagger Scotch Ale symphonize with the oak, bourbon and vanilla flavors bestowed by the barrel.

350 West 11th St, Bloomington, IN, 47404

We’ve been brewing ales, lagers, and sours in Bloomington, IN since 1998. We named ourselves after the Norman and Crawford Uplands of southern Indiana because we share the independence, strong will, and connection to the land that characterized the early settlers of this rugged region. We brew traditional styles, always with our own unique twists, alongside radical new creations. What ties all of our diverse beers together is the philosophy behind them: fresh, flavorful beer brewed locally and sustainably.

DRAGONFLY IPA: Style: American IPA. IBU: 50.0. ABV: 6.5. Malty balanced IPA with seven hop additions to give floral nose.

OKTOBERFEST: Style: Märzen / Oktoberfest. IBU: 15.0. ABV: 6.5. Traditional Bavarian style lager. A rich and malty body are in balance with a crisp finish to make this Silver Medal winner at the World Beer Cup our best selling seasonal offering.

CHAMPAGNE VELVET: Style: Euro Pale Lager. IBU: 29.0. ABV: 5.2. A pre-Prohibition style german lager brewed from 1912 recipe from the original Terre Haute Brewing co. in Souther IN. Refreshingly light pilsner body with some sweet complexities given off by the corn malt used in this recipe, make this the perfect summer lager.

INFINITE WISDOM TRIPLEX: Style: Tripel. IBU: 33.0. ABV: 9.25. A strong classic belgian style ale brewed with two different belgian yeast strains to compliment both sweet and fruity notes.

ARD RI IMPERIAL RED: IBU 83.0. ABV: 9.3. Imperial Style amber ale. Big malty body from special roasted barley created a big backbone for this complex bitter finish.
BAD ELMER’S PORTER: Style: American Porter. IBU: 20.0. ABV: 4.4. Medium bodied porter with smooth hints of chocolate and coffee make this one of our most balance beers produced. Flavorful to drink year-round, yet not too heavy to drink in the summer.

UPSTREAM BREWING CO. | 427
Head Brewer: Dallas Archer 17070 Wright Plaza, Omaha, NE, 68130
Since opening in 1996, Upstream Brewing Company has been all about fresh; from our house brewed beers born from the tap to our fresh-from-scratch food to our lively atmosphere. Upstream’s extensive beer variety includes seven house beers, four rotating seasonal selections and a rotating cask selection to satisfy the palate of any beer enthusiast no matter what style they may be seeking.

JOHNNY DORTMUNDER LAGER: Style: Dortmunder / Export Lager. O.G.: 13.3. IBU: 28.0. ABV: 5.9. Our Castaway Coconut Porter is named in memory of Johnny Rosenblatt Stadium; home to the NCAA Men’s College World Series for sixty years before the new ballpark was opened in 2010. Our Dortmunder is medium-bodied and well balanced. This crisp brew has a lingering hop bitterness in the finish.

IN BLOOM BELGIAN ALE: Style: Belgian Pale Ale. In Bloom was inspired by a springtime dessert perfected in Belgium consisting of wine poached figs served with lemon sorbet. This ale is a drinkable rendition of this concoction aged on Dates rather than figs to provide a light, soft and sweet fruit note. This mild yet crisp beer begins with an aroma full of complex Belgian character. Flaked oats and barley provide a smooth body and a discernible lemon flavor is available from additions to the kettle.

Urban Chestnut Brewing Company, located in Midtown St. Louis, is an unconventional-minded yet tradition-oriented brewer of craft beer. We like to call our unique brewing philosophy Beer Divergency—a ‘new world meets old world’ brewing approach wherein UCBC contributes to the ‘revolution’ of craft beer with artisanal creations of modern American beers, and pays ‘reverence’ to the heritage of beer with classically-crafted offerings of timeless European beer styles.

SCHNICKELFRITZ: Style: Hefeweizen. O.G.: 11.6. IBU: 12.0. ABV: 4.8. Bavarian Weissbier. The unmistakable characteristics of this German wheat beer are achieved with a yeast strain that is decidedly fruity and phenolic. You may note clove, nutmeg, vanilla, and banana-like aromas and flavors.

1:00 P.M. – 2012 BOURBON BARREL AGED WOLPERTINGER: STYLE: O.G.: 17.8. IBU: 110.0. ABV: 9.9. Bourbon Barrel Aged Imperial Chestnut Ale. Never heard of the rarely seen, Bavarian-indigenous mammal the Wolpertinger? Well much like the original Wolpertinger, our “Wolpie” is a little Bavarian in nature; scarcely seen and definitely difficult to define...Taxonomically speaking. We define “Wolpie” (beer-style...
wise) as Winged Nut on Acid - A high ABV, chestnut beer fermented with a Bavarian Weissbier yeast strain. Brewed once a year in celebration of UCBC's anniversary, this particular beer makes a short appearance at the beginning of the year and then hibernates in bourbon barrels until it reappears at the next year's celebration.

1:00 P.M. – ERLKÖNIG: STYLE: Doppelbock. OG: 18.3. IBU: 20.0. ABV: 8.3. Pale Wheat Doppelbock. This Manifest special is sweet, soothing, and a deceptive delight. So much so that it may deceive thy sight. Should you start to see visions of Elf King fame, heed the warnings from where this beer gets its name. 68323 A Lea Street, Iron River, WI, 54847 | 715-372-5656

Established 1996. White Winter Winery produces high quality hand crafted meads, or honey wine, using locally produced pure Wisconsin honey and fruit. Mead is the oldest fermented beverage in the world but relatively unknown in modern times. We believe strongly in using what is in our own back yard and have built our business on this sustainable practice. We are truly a regional winery using ingredients grown within approximately 100 miles of the cellar. We use what our neighbors produce to make a great product. It helps them, it helps us, it’s environmentally and ethically sound, and you, the consumer, know exactly what you are drinking, where it comes from, how it’s made, and that every purchase stays in the community and supports a family farm (and winery!).

This year we bring several new products to the Great Taste, some mead some not. For un-mead try our Kwench series of light deliciously sparkling and refreshing beverages.

For mead we have brought a little new Mischief, to go with an old favorite served up two ways; sweet mead (rumored to be one of the most potent aphrodisiacs in the world for 8000 years). As well as several others

Dry Mead: Off dry, delicate traditional mead, just honey and water. Pairs well with poultry, seafood, or a green salad . Dryness of a Chardonnay with a light honey finish.

Cyser: Semi-Sweet made with fresh apple cider and honey. Excellent with sharp cheeses, pork and spicy foods. 11.5% abv. //

Mischief: A sparkling cranberry mead, app 5% RS, 11.5% abv. The name says it all!
